## STORIES FROM NATURE....

The telling of a true story is not unjust, because it is the truth. If a life history is written with words of truth it cannot offend for it has the strength of truth. This is the strength of such books as "Quo Vadis." It tells of the truth of men and women bowed, humbled in the dust of the times of Roman emperors. If they were not of truth they would offend, for no writer of established fame would dare write of the feast where men and women lay on the same couch in a fierce struggle for the triumph of virtue over passion under the very eyes of Nero. The writers on

YOUNG'S MAGAZINE

have ideas and are not afraid to write; realizing that the people demand advanced thought and truth. Sample copy will be mailed for 10 cents. Three different numbers for 25 cents. We have a few thousand copies of back numbers and offer a set of 7, each one different, for 35 cents.

# ANTIBRULE

THE VADE MECUM OF MODERN SURGERY

**ANALGESIC**

**ANTISEPTIC**

**KERATOPLASTIC.**

**No Similar Combination Known.** ANTIBRULE hastens granulation with incredible rapidity, and therefore prevents the formation of scar tissue. While scientists recognize that there is no such thing as absolute "union by first intention," ANTIBRULE has come nearer demonstrating its possibility than any agent yet offered to the medical profession.

Brilliant results are not only attained through the use of ANTIBRULE in surgery but also in hopeless cases of Hay Fever, Nasal Catarrh, Chronic and Syphilitic Ulcers, Gonorrhoea, Eczema, Erysipelas, and many other skin affections.

**A Positive Specific** for Leucorrhoea, Eczema of Thighs and Scrotum, Poison Oak Affections, Pustular Cutaneous Diseases, all Inflammations of the Mucous Membranes, whether of traumatic, idiopathic or specific origin, and all conditions requiring absolute asepsis and antiseptics.

The only rational, scientific treatment for BURNS and SCALDS and the only specific for the same.

**Stops Pain Instantly.** Few practitioners now treat Burns with preparations containing animal, vegetable or mineral oils. ANTIBRULE produces immediate analgesia, and nothing else promptly repairs the damaged tissue without scarring.

In Gynecology, injections before and after operations have established the fact that ANTIBRULE is the surgeon's best and most reliable aseptic and antiseptic.

**PROPERTIES:** Analgesic, Antiseptic Astringent, Keratoplastic, Non-Irritating Aseptic & Aloxic. **INDICATIONS:** Croup, Sore Throat, Ulcers, Wounds, Leucorrhoea, Eczema, Psoriasis, Erysipelas, Ophthalmia, Otagia, Balanitis, Uterine, Vaginal and Rectal Ulcerations and Injuries, Gonorrhoea and all conditions where there is ulceration and difficulty in healing.

**FORMULA,** literature and 2-oz. sample bottle mailed (to physicians only) on receipt of 25c. (stamps or coin) or 16-oz. bottle free by express to practitioners, on receipt of \$1.00. Your money back if not satisfied.

# ABLEST CURE OF THE TIMES.

Formula and Instructions How to Make and use it for \$2.00. Money refunded if not Satisfied With Use.

**Vril Cordial** a pleasant, safe, elegant cell irritant that quickly fills the blood with giant cells. A remedy that by its peculiar roughness passing through the alimentary canal, toughens and thickens its lining like rough work as chopping wood toughens the palm of the hand. The cells of this lining membrane are made giant cells by the peculiar friction and this cell vigor extends throughout the body. If the stomach or alimentary canal is weak, cold or flabby, its cells are weak, the vitality is low, the entire system cold, prostrated, a condition present in all low diseases. This peculiar roughness excites, arouses, exhilarates, quickly strengthens, warms up every organ, and mind and body, producing prodigious vital force, strength, working power, physiological action, circulation, nutrition and enormous digestion. In a few hours often removes the black dry coating from the tongue of half unconscious cases and puts them on their feet in a few days. For 12 years I conducted a sanitarium with it, treating thousands with astonishing cures unequalled by science. In a few days it puts great vital force, strength into very low, weak, wasted, given up patients. Invalids usually gain 3 to 5 pounds a week and often get out of bed in 3 to 7 days. It has cured hundreds of bed fast consumptives in 2 to 3 months. Cures many cancers, abscesses, frightful ulcers, with incredible speed. It loosens and cures worst coughs quick while it doubles digestion and strength. Imparts courage, confidence, exhilarates body and mind, gives strong voice, clear skin, working power, prodigious strength to the heart, slows the pulse, cures wonderfully, quick, heart, liver, stomach, nerves and women cases, prostration; gives such vigor to weak female-organs, heart, nerves in feeble women that in a few days severe cases are almost well. Most women and children are made fat, strong and well in 2 to 6 weeks. It works wonders daily, patients delighted. It vastly increases the animal powers, sexual desire and vigor; its use unknown to physicians. Made at home, cost 10 cents a pound. Above sworn to by proprietor,

# ADVERTISEMENTS.

FIVE-GRAIN  
TABLETS

EXACT SIZE

FAC-SIMILE

"The name itself suggests what Antikamnia is, and what its remedial properties are:—Anti (*Greek-Aντι*). Opposed to, and Kamnia (*Greek-Καμνός*), Pain—therefore, "ANTIKAMNIA" (Opposed to Pain)—a remedy to relieve pain and suffering.

"In certainty and celerity of action, it has been found superior to any of its predecessors in this field, especially in cases of Acute and Chronic Neuralgia. Neuralgic Toothache, Tic-Douloureux, Myalgia, Migraine, Hemisrania, and all forms of Headache, yield to its influence in a remarkably short time, and in no instance have any evil after-effects developed. The chief claim advanced in favor of Antikamnia over all other products is, that its use is not followed by depression of the heart.

"The dose for adults, which always gives relief in severe headaches, especially those of bookkeepers, actors, lawyers, students, mothers, teachers and nurses, in short all headaches caused by anxiety or mental strain, is two tablets, crushed, followed by a swallow of water or wine. It is the remedy for La Grippe. As a preventive of and cure for nausea while traveling by railroad or steamboat, and for genuine *mal de mer* or sea sickness, Antikamnia is unsurpassed, and is recommended by the Surgeons of The White Star, Cunard and American Steamship Lines.

"There are very many important uses for Antikamnia, of which physicians as a rule may be uninformed. A five grain Antikamnia Tablet prescribed for patients before starting on an outing, and this includes tourists, picnickers, bicyclers, and in fact, anybody who is out in the sun and air all day, will entirely prevent that demoralizing headache which frequently mars the pleasure of such an occasion. This applies equally to women on shopping tours, and especially to those who invariably come home cross and out of sorts, with a wretched "sight-seer's headache." The nervous headache and irritable condition of the busy business man is prevented by the timely use of a ten grain dose. Every bicycle rider, after a hard run, should take two five grain Antikamnia Tablets on going to bed. In the morning he will awake minus the usual muscular pains, aches and soreness. As a cure and preventive of the pains peculiar to women at time of period, Antikamnia is unequalled and unaccompanied by habit or unpleasant after-effect. If the pain is over the lower border of the liver, or lower part of the stomach, or in short, be it headache, side-ache, backache, or pain of any other description caused by suppressed or irregular menstruation, it will yield to two five grain tablets of Antikamnia. This dose may be repeated in an hour or two, if needed. For very prompt relief, it is advisable to crush the tablets and swallow them with a little wine, diluted whisky or toddy. A dozen tablets kept about the house, will always be found useful in time of pain."

## A RECORD OF FACTS

Facts can't be disputed. Theories may be supported by plausible arguments in abundance, but one little fact outweighs them all. In these days of progress it won't do to say that Cod Liver Oil does not contain active principles that are separable from the grease; there is a living fact that disproves all such assertions. That fact is

Patients that have used this Apparatus according to direction for all kinds of ailments, praise it as the "Ideal" treatment of our Century. All diseases of the lungs, stomach, liver, kidneys, bladder, heart and vital organs, etc., are quickly cured without a drop of medicine or patent nostrum. Consumption is at last curable, so is catarrh, syphilis, and all kinds of blood-poison, dropsy, and all forms of skin disease, female complaints, etc.

Hear what the users of Schaefer's System say; Prof. W. A. Fillmore the great magnetic Healer, Beresford, S. Dak., says: Your Apparatus is all you claim it to be, and is a great help to me in my work. Dr. E. Gleitsmann, 118 Park St., Chicago, Ill. writes: Your App. works fine, wishing you further success. Rev. T. Senkelsen, Albert, Kans writes: Your system of treatment is simple, and works wonders. James Reagan, President of the Reagan Grate Bar Co., Philadelphia, Pa. writes: I would not take a \$1,000 for the App. if I could not get another one. It has not only helped me, but it has helped my wife and children also. Mr. C. B. Adams, Four Oaks, N. C. writes: I feel, since I commenced taking your apparatus, that my stomach trouble will get cured, and have found you to represent the straight thing, or in other words, you tell the truth. If any one should write you from these parts, in regard to your treatments, don't fail to give me a chance to speak. ## Turkish Baths for 3 Cents.

The best of all bath cabinets is now sold at maker's prices direct to the user. Sold even lower than the inconvenient affairs that are advertised for this service. A tight, double-walled room, rubber coated inside and outside, and fitted with a door. Made so that merely tipping folds it into a 6-inch space. Handsome, convenient and strong.

With this cabinet, Turkish, vapor and medicated baths may be taken at home, exactly the same as in Turkish bath rooms. The cost is three cents per bath. Nothing else is so effective in keeping the blood pure, preventing sickness, stopping colds and curing most chronic diseases. Nothing else accomplishes perfect cleanliness, or so clears the complexion, so quickly quiets the mind

nervous and rests the tired. The habit of Turkish bathing keeps the mind and body up to the highest vigor.

The Racine Cabinet is guaranteed to be the best one on the market. We sell on approval, to be returned at our expense if not satisfactory. Sold direct to users at from \$5 to \$12, express or freight prepaid; alcohol stove, vaporizer and face steaming attachment included. Send to-day for our handsome illustrated catalogue, and order from that.

# PRACTICAL HYPNOTISM.

EVERYONE is looking for the best course of instruction extant upon this science. The public demand is for a course of instruction **which does instruct.** We have prepared the best course that has ever been written, and we have seen them all.

The matter contained in this course has not appeared in **SUGGESTIVE THERAPEUTICS** in the form of articles. The whole course is new, original, and thoroughly up to date. It teaches you **how to hypnotize; how to mesmerize; how to instruct and cure during natural sleep; how to perform stage hypnotism;** it reveals all the old and all the new mysteries. It favors especially the induction of **THE DEEP SLEEP**, and teaches how you may induce it. It gives you instruction in the use of Hypnotism in the treatment of disease. It gives special instruction for the doctor; special instruction for the layman, and special instruction for the dentist in Hypnotism and Suggestive Therapeutics.

It is not in any sense of the word a copy of any other course, or a rehash of old matter. It is unlike any other course, and superior to all. No other Course of Instruction is

necessary, but without this the student is not fully equipped to do his work. It contains no less than 50 Methods of inducing Hypnosis, and devotes a Lesson to the Method of Mesmerism which Dr. Esdalle, the English surgeon, made famous in India.

After mastering this course the student is able to hypnotize either for his own satisfaction in psychic research, or for the correction and cure of bad habits, nervous diseases, and functional disorders.

The Price of the Course in Hypnotism is \$5.00.

# Giving Absent Treatments.

It is not at all difficult when you know how to set about it. But like everything else, it must be learned or mistakes will occur.

I have prepared a course of instruction; teaching how to give **Distant Treatments**, which have given the greatest satisfaction to my students. I mail this course to any address for the sum of \$2.00.

**The price is only \$2.00.**

This puts it within the reach of all to help their friends, their families and themselves to health and strength, besides taking for treatment those numerous patients whom their friends are sure to send them. Many of my students who are proficient in **ABSENT HEALING** have now more work than they have time to attend to.

## Learn This Profession To-day!

It is a good thing to relieve suffering, to bring comfort into afflicted households; to banish the weariness of pain and give back the energy of youth. This course of instruction will show you how you may do this. You will, if you are sick, banish ill health in yourself by bringing health and happiness to others.

Though you may be sick, it will make you well to send health thought to others. It will bring you sweet rest at night, power and energy during the day; it will give you self-reliance in place of dependence upon others; it will give you wholesome memories in place of the cares that are eating your life away. It will restore you, strengthen you, comfort you, and bless you, just as you yourself become by its use a strength, a comfort and a blessing to your patients. I have decided to devote all money received from these courses of instruction to the furtherance of this great work. The price is only \$2.00. Address,

**"THE HEALER"**

**NOTE.**—The Psychic Research Company fully endorses this Course as the best thing of its kind which has come to their notice. It is carefully compiled, complete and easy to comprehend.

# PRACTICAL TELEPATHY.

To be a mind reader most men would give a fortune—everyone should give \$2.00. We have reduced our price on the Mind Reading Course to the small sum of \$2.00.

The Course in Mind-Reading is a handsome 35 page book telling you exactly **How to Do It**. Those who have read it are delighted. A new field has opened to them. They are experimenting constantly with genuine Telepathy, delighting and surprising their friends and themselves with their success. Muscle reading, represented by Johnstone, Brown, Bishop and others as mind reading is also fully explained and taught in this wonderful book.

# PERSONAL MAGNETISM

The cultivation in the body and mind of that indefinable, yet distinct characteristic which impresses other people is the cultivation of Personal Magnetism.

Personal Magnetism, or unconscious attractiveness, is natural with some people. It can be easily cultivated in all. There has been a demand for a practical work upon this subject—one shorn of the inevitable haze which attaches to previous alleged attempts to explain this force.

We have filled the want. Our system of Personal Magnetism was written under our specification which insisted upon absolute clearness, accuracy and simplicity.

This course is beautifully printed and bound and sells for only \$2.00.

(INCORPORATED.)

**DEGREES CONFERRED and DIPLOMAS AWARDED TO GRADUATES.**

This School was established for the purpose of instructing Physicians, Medical Students, Dentists, Trained Nurses and other intelligent people, in the science and art of Suggestive Therapeutics and those who want it are also taught the practical application of Electricity in the treatment of all diseases where it can be used to advantage, including X-ray work. All kinds of batteries on exhibition and their uses explained.

A complete exposition of Psychological Medicine is given, as expounded by Liebesalt, Bernheim, Tuke, Moll, Tuckey, Hudson, etc. The psychological treatment of diseases and the production of anæsthesia for surgical operations under hypnotic influence, are thoroughly elucidated by didactic lectures and practical demonstrations upon subjects and clinics before our classes. Furthermore, our students are fully instructed in all the modern methods of Hypnotism, and are favored by the privilege of actual personal practice in handling and controlling subjects in our psychological clinics, under our immediate observation and instruction. This enables them to go out and apply this practice at once. Say what we may about what can be learned from books, journal communications and correspondence courses of instruction, there is nothing like **OBJECT LESSONS** to teach Suggestive Therapeutics. We can teach students more in two weeks by *showing* them how it is done, by treating patients in their presence, than they can learn in many months from reading and depending wholly upon their own unaided efforts.

We make a specialty of teaching our students the proper treatment, by suggestion, of all chronic, functional and nervous diseases and habits of every kind, and all stubborn diseases that have resisted ordinary methods of treatment. We teach them the kind of suggestions that each patient requires. All intelligent men and women can learn Suggestive Therapeutics, and they can learn to do effective work with it.

**One full session of two weeks every month in the year.**

**Sessions always open in the evenings of the first Monday of each month.**

We give special attention to the personal treatment of all chronic, functional and nervous diseases, and habits of every kind here in our private office and in our school, such as **Insomnia, St. Vitus' Dance, Paralysis, Hysteria, Melancholy, Headache, Hallucinations, Monomania, Neuralgia, Rheumatism, Asthma, Amenorrhea, Sterility, Constipation, Dysmenorrhea, Loss of Voice, Writer's Cramp, Menorrhagia, Deafness, Goitre, Impotency, Self-Consciousness, Bashfulness, Fear to Speak or Sing in Public, and Morbid Fear of Diseases, Incontinence of Urine, Urethral Strictures, Nervous Prostration and Poverty.**

 **Special attention given to distant or absent treatment.**

## Morphine Habit Cured in Three Days.

We can absolutely cure all cases of stammering and stuttering, bed-wetting, liquor habit, morphine habit, tobacco habit, kleptomania, morbid fears, etc.

Send for our 16-page pamphlet explaining our methods of curing diseases by suggestion in our office and at a distance. **SENT FREE TO EVERYBODY.** All sick people should have this pamphlet.

## MAGNETIC HEALING CUP.

The last and greatest  
Discovery of the 19th Century

It cures Rheumatism, Dyspepsia, Constipation, Nervous Prostration, Insomnia and Headaches, as if by magic, and every human complaint in a reasonable length of time.

### A HEALER IN YOUR OWN HOME.

Each cup contains sufficient magnetism to lift a weight of 40,000 lbs. a distance of one foot, and its influence can be perceptibly noticed at a distance of over 30 inches.

This immense force is passed through a tasteless solution of a magnetic metal salt, which is prepared by a secret process, and every draught of this fluid when drank from the cup conveys magnetic life-force directly into the body and circulation.

Patients who use these cups begin to pick up at once in vital force, every bodily function is soon restored to its normal state, and

health returns no matter from what disease the patient suffers. Every family, every invalid, every physician and every healer should possess one of these cups. For full particulars, testimonials and descriptive pamphlet address,

New scientific discovery, enabling anyone to rapidly develop this, the most desirable of all gifts. All have this power, which, if cultivated enables the possessor to achieve every earnest purpose in life.

## Rheumatism CAN POSITIVELY BE Cured!

Mr. Richard Johnson tells of the wonderful  
merits of Drefs' Rheumatic and Gout Pills.

The old methods of treating Rheumatism and Gout are wrong, entirely wrong. These dread diseases are constitutional ailments, and cannot be cured by ointments, liniments, or any other so called remedy for external use. These may sometimes afford temporary relief, but they cannot cure. There is but one cure, **Drefs' Gout and Rheumatic Pills**, which cure speedily and permanently, because they act on the blood, the liver, the heart and the kidneys—they purify the system and sweep it clean of the conditions which cause rheumatism. They are the discovery of that noted chemist, Chas. B. Drefs, of Buffalo, who positively guarantees that they will cure 995 out of every 1,000 cases.

Mr. Richard Johnson, of the Hotel Ponce de Leon, St. Augustine, Fla., says: "I have been a sufferer from Rheumatism for the past two years, and have tried Doctors and Patent Medicines without being benefited in the least. I was recommended to try your Rheumatism and Gout Pills, and after taking one box I am able to walk without the use of a cane, something I have not done for six months. I think they are the best remedy in the world for Rheumatism. Enclosed find P. O. order for which please send me two (2) boxes of your Pills."

**Drefs' Rheumatic and Gout Pills  
will Cost You Nothing**

If you do not receive benefit from them, Mr. Drefs wants no one's money without he gives something in return, so you run no risk. These pills are sold for 50c. per box—no matter how desperate your case, send for a box to-day—if they do not benefit you, your money will be cheerfully refunded.

### Insomnia-Indigestion.

22 William St. New York, Dec. 28, 1895.

"I take pleasure in certifying to the curative powers of the Electropoise, in which I was a disbeliever, and very reluctantly consented to make a test of it. It cured me of insomnia of many years' standing, on account of which I was also suffering from nervous prostration and enfeebled digestion."

## THE SLAYTON INSULATION CURE FOR

# Rheumatism and Sleeplessness.

Most of the readers of this paper are already well acquainted with our treatment, and its theory, based on the discovery of the great DR. BROWN-SEQUARD, of Paris, that these ailments, as well as Neuralgia, Sciatica Pains in Muscles and Bones, Nervous Weakness and Lost Vitality arise from an excessive flow of electricity from the body to the earth. We do not ask; "Do you believe in our method?" but, "Have you made a free trial of

"Slayton's Electric Switch Glass Casters" and "Slayton's Insulating Spun Glass Insoles."

Their use on the bed during the night, and on the feet during the day, have produced most wonderful cures. The insoles are almost perfect protection against catching cold. These appliances mark a revolution in the treatment of disease, and so confident are we of their merit that we urge all afflicted ones to make a free trial of them. Here is a letter, taken at random from hundreds of similar ones.

ESMOND, ILL., March 15, 1899.

THE ELECTRIC CASTER CO., Gentlemen:—I had the Inflammatory Rheumatism last spring. It left me with stiff joints; lame, could not sleep; lay awake, nervous weakness. I saw your ad. in the "Ram's Horn." I got the casters, put them under the bed, went to bed and to sleep. Have not had a pain since; as sound as a gold dollar.

Very respectfully  
FRED. GOODRICH

**Free Trial** **FOR ONE WEEK.** We will gladly send any one a full set of the "Slayton Electric Switch Casters" and "Slayton Insulating Insoles" on receipt of 25c. for postage and packing, or separately, 15c. for the Casters and 8c. for the Insoles. Try them for one week according to directions. If they do not help you, return them by mail and no charge will be made. If they do help you (and they almost certainly will), send us \$3.00 for the Casters and \$2.00 for the Insoles. These articles can be used separately with great benefit, but to secure the greatest relief both should be used. Be sure to state whether Casters are to be placed on iron, brass or wooden bedsteads, and the size of shoes insoles are to fit.

# DISTANT HEALING.

A POWER

A CURE

**Costs you nothing  
If you are not benefited.**

## HEALTH-THOUGHT TRANSMISSION.

When we advertised the proposition of "THE HEALER" last month, to handle absent treatment cases, we had no idea there would be so much interest awakened.

The correspondence has given us new ideas on the subject and already most wonderful cures have been made. We find that we are getting most valuable scientific information which could be obtained in no other way. **The fee of \$1.00 per month covers treatments twice a day for one month**, and in case of notice of dissatisfaction, for any reason whatsoever, your money will be **promptly refunded**.

## THE PLAN IS THIS:

We have made arrangements with one of the most noted and conservative practical psychologists of the day to give 15 minutes absent treatment, twice daily, to a limited number of patients. To them he is known as THE HEALER because he does not wish publicity in this matter. Like us, he is interested in the scientific and humanitarian side of the work. To discourage triflers \$1.00 is charged. We have figured that \$1.00 per month per case will cover expenses, and in the interest of scientific exactitude we wish to know of failures as well as successes. We pay for the failure by returning the money—the patients pay for the successes. It is an admirable arrangement, both in the cause of science and of humanity.

The idea of charging large fees for absent treatment with the object of pecuniary profit is not only wrong, but the element of greed is directly antagonistic to the theory of the treatment.

Our Healer is a gentleman of independent means, a scientist and philanthropist. He wants cures and not money. We are forced to charge the nominal fee of \$1.00 to avoid actual loss to him and ourselves. Any of our subscribers who have ever tried certain widely advertised absent treatments (at \$5.00 and \$10.00 per treatment and no money returned) will readily appreciate the generosity and sincerity of The Healer's offer.

So you see you have nothing to lose and everything to gain, by helping along the good work. State your case briefly and send \$1.00 for 60 treatments and full instructions. We arrange all details, such as dates, hours, etc.

"THE HEALER,"

Dear Sir:—I am pleased to inform you, that ever since I began my month's treatment my health has been improving and as I write this morning I am feeling better physically and more encouraged and cheerful than for many years, thanks to the grand good men and women who are writing and speaking and teaching the new gospel of Suggestive Therapeutics. \* \* \* \* \*

"THE HEALER,"

Dear Friend:—Please accept my thanks for your prompt reply to my queries. I am very glad to say that my improvement has been so marked for almost a week I may not need any other treatment, but should I need further help I will be very, very glad to have you help me. In the meantime I will recommend you to others.

Kindly accept my very best wishes for your success in treating the ailing.

Sincerely yours,

MRS. M. S—.

SACO, MAINE, Nov. 8, 1899.

"THE HEALER,"

Dear Sir:—It is now nearly two weeks since I commenced taking the treatment.

The first treatment was a wonderful manifestation. I followed directions carefully and as I lay wondering how I should know if The Healer's message would reach me, it seemed as though I was conscious of some one in the room. And then in a minute such a wave of love came over me! My heart was filled with love. I wanted to get up and tell my family about it, but I knew they would think I had been dreaming or had gone crazy, so I kept it to myself. In three treatments it was about the same as the first and then came the electric current. I felt it very forcibly in my back and chest. This continued for a week. \* \* \* \*

May God bless the Healer who is engaged in such a Christ-like work. Life looks brighter to me now—gloom and despondency removed. Before, this life was a burden and I confess I had thought of ending it. Again I say, God bless the Healer!

## "Occult Truths."

The truths which held and acted upon cure all sick bodies, empty purses, unhappiness and folly are veiled from the minds of those who most need to use them, hence called occult.

It is ours to point the way to this hidden knowledge of life and destiny. The sick, the poor, the unhappy, and those indulging wrong passions, feelings, thoughts or desires will not easily believe occult truths and phenomena. If they would do as directed their troubles must cease.

# ANTIBRULE

THE VADE MECUM OF MODERN SURGERY

**ANALGESIC**

**ANTISEPTIC**

**KERATOPLASTIC.**

**No Similar Combination Known.** ANTIBRULE hastens granulation with incredible rapidity, and therefore prevents the formation of scar tissue. While scientists recognize that there is no such thing as absolute "union by first intention," ANTIBRULE has come nearer demonstrating its possibility than any agent yet offered to the medical profession.

Brilliant results are not only attained through the use of ANTIBRULE in surgery but also in hopeless cases of Hay Fever, Nasal Catarrh, Chronic and Syphilitic Ulcers, Gonorrhoea, Eczema, Erysipelas, and many other skin affections.

**A Positive Specific** for Leucorrhoea, Eczema of Thighs and Scrotum, Poison Oak Affections, Pustular Cutaneous Diseases, all Inflammations of the Mucous Membranes, whether of traumatic, idiopathic or specific origin, and all conditions requiring absolute asepsis and antiseptics.

The only rational, scientific treatment for BURNS and SCALDS and the only specific for the same.

**Stops Pain Instantly.** Few practitioners now treat Burns with preparations containing animal, vegetable or mineral oils. ANTIBRULE produces immediate analgesia, and nothing else promptly repairs the damaged tissue without scarring.

In Gynecology, injections before and after operations have established the fact that ANTIBRULE is the surgeon's best and most reliable aseptic and antiseptic.

# ABLEST CURE OF THE TIMES.

Formula and Instructions How to Make and use it for \$2.00. Money refunded if not Satisfied With Use.

**Viril Cordial** a pleasant, safe, elegant cell irritant that quickly fills the blood with giant cells. A remedy that by its peculiar roughness passing through the alimentary canal, toughens and thickens its lining like rough work as chopping wood toughens the palm of the hand. The cells of this lining membrane are made giant cells by the peculiar friction and this cell vigor extends throughout the body. If the stomach or alimentary canal is weak, cold or flabby, its cells are weak, the vitality is low, the entire system cold, prostrated, a condition present in all low diseases. This peculiar roughness excites, arouses, exhilarates, quickly strengthens, warms up every organ, and mind and body, producing prodigious vital force, strength, working power, physiological action, circulation, nutrition and enormous digestion. In a few hours often removes the black dry coating from the tongue of half unconscious cases and puts them on their feet in a few days. For 12 years I conducted a sanitarium with it, treating thousands with astonishing cures unequalled by science. In a few days it puts great vital force, strength into very low, weak, wasted, given up patients. Invalids usually gain 3 to 5 pounds a week and often get out of bed in 3 to 7 days. It has cured hundreds of bed fast consumptives in 2 to 3 months. Cures many cancers, abscesses, frightful ulcers, with incredible speed. It loosens and cures worst coughs quick while it doubles digestion and strength. Imparts courage, confidence, exhilarates body and mind, gives strong voice, clear skin, working power, prodigious strength to the heart, slows the pulse, cures wonderfully, quick heart, liver, stomach, nerves and women cases, prostration; gives such vigor to weak female organs, heart, nerves in feeble women that in a few days severe cases are almost well. Most women and children are made fat, strong and well in 2 to 6 weeks. It works wonders daily, patients delighted. It vastly increases the animal powers, sexual desire and vigor; its use unknown to physicians. Made at home, cost 10 cents a pound. Above sworn to by proprietor,

**PAC-SIMILE**

"The name itself suggests what Antikamnia is, and what its remedial properties are:—Anti (*Greek*—*Aprō*), Opposed to, and Kamnia (*Greek*—*Kajivos*), Pain—therefore, "ANTI-KAMNIA" (Opposed to Pain)—a remedy to relieve pain and suffering.

"In certainty and celerity of action, it has been found superior to any of its predecessors in this field, especially in cases of Acute and Chronic Neuralgia. Neuralgic Toothache, Tic-Douloureux, Myalgia, Migraine, Hemikrania, and all forms of Headache, yield to its influence in a remarkably short time, and in no instance have any evil after-effects developed. The chief claim advanced in favor of Antikamnia over all other products is, that its use is not followed by depression of the heart.

"The dose for adults, which always gives relief in severe headaches, especially those of bookkeepers, actors, lawyers, students, mothers, teachers and nurses, in short all headaches caused by anxiety or mental strain, is two tablets, crushed, followed by a swallow of water or wine. It is the remedy for La Grippe. As a preventive of and cure for nausea while traveling by railroad or steamboat, and for genuine *mal de mer* or sea sickness, Antikamnia is unsurpassed, and is recommended by the Surgeons of The White Star, Cunard and American Steamship Lines.

"There are very many important uses for Antikamnia, of which physicians as a rule may be uninformed. A five grain Antikamnia Tablet prescribed for patients before starting on an outing, and this includes tourists, picnickers, bicyclers, and in fact, anybody who is out in the sun and air all day, will entirely prevent that demoralizing headache which frequently mars the pleasure of such an occasion. This applies equally to women on shopping tours, and especially to those who invariably come home cross and out of sorts, with a wretched "sight-seer's headache." The nervous headache and irritable condition of the busy business man is prevented by the timely use of a ten grain dose. Every bicycle rider, after a hard run, should take two five grain Antikamnia Tablets on going to bed. In the morning he will awake minus the usual muscular pains, aches and soreness. As a cure and preventive of the pains peculiar to women at time of period, Antikamnia is unequalled and unaccompanied by habit or unpleasant after-effect. If the pain is over the lower border of the liver, or lower part of the stomach, or in short, be it headache, side-ache, backache, or pain of any other description caused by suppressed or irregular menstruation, it will yield to two five grain tablets of Antikamnia. This dose may be repeated in an hour or two, if needed. For very prompt relief, it is advisable to crush the tablets and swallow them with a little wine, diluted whisky or toddy. A dozen tablets kept about the house, will always be found useful in time of pain."

Genuine Antikamnia Tablets always bear the monogram *K*

## A RECORD OF FACTS

Facts can't be disputed. Theories may be supported by plausible arguments in abundance, but one little fact outweighs them all. That fact is

Patients that have used this Apparatus according to direction for all kinds of ailments, praise it as the "Ideal" treatment of our Century. All diseases of the lungs, stomach, liver, kidneys, bladder, heart and vital organs, etc., are quickly cured without a drop of medicine or patent nostrum. Dr. E. Gleitsmann, 118 Park St., Chicago, Ill. writes: Your App. works fine, wishing you further success. Rev. T. Senkelsen, Albert, Kans. writes: Your system of treatment is simple, and works wonders. James Reagan, President of the Reagan Grate Bar Co., Philadelphia, Pa. writes: I would not take a \$1,000 for the App. if I could not get another one. It has not only helped me, but it has helped my wife and children also. Mr. C. R. Adams, Four Oaks, N. C. writes: I feel, since I commenced taking your apparatus, that my stomach trouble will get cured, and have found you to represent the straight thing, or in other words, you tell the truth. If any one should write you from these parts, in regard to your treatments, don't fail to give me a chance to speak. Medical Council, Philadelphia, Pa.—A most valuable work. The chapter on Epilepsy is especially interesting.

Alkaloidal Clinic, Chicago, Ill.—Those who are interested in this question find Mr. Bayer's book well worth perusal.

Minneapolis Times, Aug. 28, 1897.—It treats upon a subject which has never been written upon in the manner which the author has taken, and is therefore somewhat startling. A most important and interesting subject.

Every Intelligent Person  
Should Own a Copy of  
"Maternal Impressions"

Because it discusses a subject of vital importance to mankind in language that is chaste, simple and instructive. It tells why good parents produce criminal offspring; why moral progenitors often have immoral children, and Christian parents produce infidel sons and daughters. It tells why preachers' sons are sometimes "tough," and gives a logical reason for the cause of trampism. It is the only book that teaches how a prospective mother may overcome a shock or scare she may experience, enabling her to produce straightlimbed and intelligent children. It shows how a mother can and does change the brain structure of her offspring, and has most excellent advice to prospective mothers. It is the only book that ever gave a reason for the birth of "girlish" boys and "tomboy" girls. The cause of epileptic, blind, deaf or club-footed births, as well as other deformities, is given. In fact, it is the most valuable book for the improvement of the coming generations that has ever been issued, as it shifts the blame for the regression of the rising generation from Providence to mankind, and should be read by every intelligent person.

What parent would not pay a thousand times the price of the book rather than have one deformed child in the family

## Turkish Baths for 3 Cents.

The best of all bath cabinets is now sold at maker's prices direct to the user. Sold even lower than the inconvenient affairs that are advertised for this service. A tight, double-walled room, rubber coated inside and outside, and fitted with a door. Made so that merely tipping folds it into a 6-inch space. Handsome, convenient and strong.

With this cabinet, Turkish, vapor and medicated baths may be taken at home, exactly the same as in Turkish bath rooms. The cost is three cents per bath. Nothing else is so effective in keeping the blood pure, preventing sickness, stopping colds and curing most chronic diseases. Nothing else accomplishes perfect cleanliness, or so clears the complexion, so quickly quiets the mind

nervous and rests the tired. The habit of Turkish bathing keeps the mind and body up to the highest vigor.

The Racine Cabinet is guaranteed to be the best one on the market. We sell on approval, to be returned at our expense if not satisfactory. Sold direct to users at from \$5 to \$12, express or freight prepaid; alcohol stove, vaporizer and face steaming attachment included. Send to-day for our handsome illustrated catalogue, and order from that.

# PRACTICAL HYPNOTISM.

EVERYONE is looking for the best course of instruction extant upon this science. The public demand is for a course of instruction **which does instruct.** We have prepared the best course that has ever been written, and we have seen them all.

The matter contained in this course has not appeared in SUGGESTIVE THERAPEUTICS in the form of articles. The whole course is new, original, and thoroughly up to date. It teaches you **how to hypnotize; how to mesmerize; how to instruct and cure during natural sleep; how to perform stage hypnotism;** it reveals all the old and all the new mysteries. It favors especially the induction of **THE DEEP SLEEP**, and teaches how you may induce it. It gives you instruction in the use of Hypnotism in the treatment of disease. It gives special instruction for the doctor; special instruction for the layman, and special instruction for the dentist in Hypnotism and Suggestive Therapeutics.

It is not in any sense of the word a copy of any other course, or a rehash of old matter. It is unlike any other course, and superior to all. No other Course of Instruction is

necessary, but without this the student is not fully equipped to do his work. It contains no less than 50 Methods of inducing Hypnosis, and devotes a Lesson to the Method of Mesmerism which Dr. Esdaile, the English surgeon, made famous in India.

After mastering this course the student is able to hypnotize either for his own satisfaction in psychic research, or for the correction and cure of bad habits, nervous diseases, and functional disorders.

The Price of the Course in Hypnotism is \$5.00.

# The Healer's Patients

Are not asked for "testimonials." That is not a part of the work. The idea is to let the thought force do it all. Still the testimonials come unsolicited. Here are a few out of many:

Crawfordsville, Ind., Feb. 13, 1900.

Dear Healer:

Many, many thanks for the great benefit I have received from your treatment. I am now well. Am cured of obstinate constipation. If I were to take your course of instructions could I treat myself as well as you have treated me?

I feel the treatment like shocks of electricity and am so sorry my time is so near out. I have not had a return of any of those bad symptoms and sleep splendidly at night. Wishing you great success and happiness, I am,  
Most respectfully, S. M. B——

Elizabethtown, Pa., Feb. 13, 1900.

Dear Healer:

Two weeks having elapsed since beginning my month's treatment, I will write a report of my case. \* \* \* I can truthfully and happily say that I have been benefited by the treatment.

I. J. F——

Frankfort Springs, Pa., Feb. 5, 1900.

Dear Healer.

It is with a cheerful spirit I write to you. I feel so much better than when I began my treatment two weeks ago. My nerves feel stronger and the pain in my hip does not trouble me so much. Last night I lay about five minutes on that side—something I have not done for six months. I have not had that sinking at my heart for the past two days and I feel a most decided general improvement. I sleep more and the treatments often put me to sleep and give me such a calm and peaceful feeling. \* \*

\* Yours with deep gratitude,

A. M. V——

Houston, Tex., Feb. 10, 1900.

The Healer:

I have to report at the end of two weeks' treatment, and I take pleasure in doing so. I feel so much better and my nerves are ever so much improved that I am sure I will be entirely cured.

With very best wishes,

E. V.

Malone, N. Y., Feb. 10, 1900.

To the Healer:

It is two weeks to-day since my absent treatments began. I am improved. Arms are better. My mind is lighter, although I have had much to contend with recently. I have been helped wonderfully,

D—— B——

Jersey City, N. J., Feb. 1, 1900.

To the Healer:

Your method of treating my wife is excellent and did her very much good. I must say your treatment is very practical and reasonable and instructive, too, and I hope you will succeed in your noble work. If you should ever want testimony I can heartily give it.

## A Healer in Your Own Home.

This cup is a thoroughly scientific discovery, and a careful perusal of the reading matter, which we send on application will, we feel certain, convince you that we are in a position to give you the greatest medical discovery of the age. The results we are obtaining in diseases of all kinds are truly remarkable. Although the discovery is a comparatively recent one, still it is working marvels in all kinds of acute and chronic disorders. All the chronic cases using it at present are improving rapidly and every day brings us reports of cases completely cured. It matters not from what disease you may be suffering, the cup will benefit you, for it directly increases the healing force in your body. If it is possible for you to get well you will get well by using this cup, and it will not interfere with any other treatment, but on the contrary will assist it. There is nothing dangerous about the cup and a child can use it.

## DESCRIPTION OF THE CUP.

Each cup contains sufficient magnetism to lift a weight of 40,000 lbs. a distance of one foot, and its influence can be perceptibly noticed at a distance of over 30 inches. This claim may seem preposterous to the average reader, nevertheless it is a demonstrable fact. This immense force is passed through a tasteless solution of Magnetic Metal Salts which are prepared by a secret process, and every draught of this fluid, when drunk from the cup, conveys magnetic life force directly into the body and circulation. Patients who use these cups *begin to pick up at once in vital force*, every bodily function is soon restored to its normal state and health returns, no matter from what disease the patient suffers.

Every family, every invalid, every physician, every healer, and everyone wishing to retain his health should possess one of these cups.

How to control the sex of an unborn child, to make it a boy or a girl as desired, has been a riddle that men and women have thought and wondered over since the world began. ## YOU CAN BE A HUMAN MAGNET!

Just as the GEORGIA WONDER was.

Lulu Hurst, once known as the Georgia Wonder, startled the world a few years ago by exhibiting a so-called "Magnetic Power." She was only a slight young girl, yet with this strange power she could throw strong, heavy men about the stage like playthings. She could rest her hand on the seat of a chair, and four men could not force the chair to the floor. She could not be pushed off her balance, even when standing on one foot. She defied the laws of gravity, and the more physical opposition she encountered the stronger was the

### "MAGNETIC POWER"

in evidence.

Lulu Hurst and her wonderful power were the talk of the hour, and then she suddenly disappeared from public life.

### Her Autobiography Explains Everything.

It is a 267 page book handsomely illustrated. It tells exactly how to do all the feats that she did. The power was not magnetism, but the use of a natural law of physics applied unconsciously enough, by this young southern girl. The book gives a history of her life also, and every page thrills with interest, excitement and humor, besides giving plain explanations of how she did all her feats. Her plan was so simple that anyone can do any of her feats in five minutes after reading the book. Edition almost exhausted. Satisfaction guaranteed or money refunded. Price.....\$1.00

# The St. Louis School —OF— Suggestive Therapeutics ... AND ... Medical Electricity.

(INCORPORATED.)

**DEGREES CONFERRED and DIPLOMAS AWARDED to GRADUATES.**

This School was established for the purpose of instructing Physicians, Medical Students, Dentists, Trained Nurses and other intelligent people, in the science and art of Suggestive Therapeutics and those who want it are also taught the practical application of Electricity in the treatment of all diseases where it can be used to advantage, including X-ray work. All kinds of batteries on exhibition and their uses explained.

A complete exposition of Psychological Medicine is given, as expounded by Liebeault, Bernheim, Take, Moll, Tuckey, Hudson, etc. The psychological treatment of diseases and the production of anesthesia for surgical operations under hypnotic influence, are thoroughly elucidated by didactic lectures and practical demonstrations upon subjects and clinics before our classes. Furthermore, our students are fully instructed in all the modern methods of Hypnotism, and are favored by the privilege of actual personal practice in handling and controlling subjects in our psychological clinics, under our immediate observation and instruction. This enables them to go out and apply this practice at once. Say what we may about what can be learned from books, journal communications and correspondence courses of instruction, there is nothing like **OBJECT LESSONS** to teach Suggestive Therapeutics. We can teach students more in two weeks by *showing* them how it is done, by treating patients in their presence, than they can learn in many months from reading and depending wholly upon their own unaided efforts.

We make a specialty of teaching our students the proper treatment, by suggestion, of all chronic, functional and nervous diseases and habits of every kind, and all stubborn diseases that have resisted ordinary methods of treatment. We teach them the kind of suggestions that each patient requires. All intelligent men and women can learn Suggestive Therapeutics, and they can learn to do effective work with it.

**One full session of two weeks every month in the year.**

**Sessions always open in the evenings of the first Monday of each month.**

We give special attention to the personal treatment of all chronic, functional and nervous diseases, and habits of every kind here in our private office and in our school, such as **Insomnia, St. Vitus' Dance, Paralysis, Hysteria, Melancholy, Headache, Hallucinations, Monomania, Neuralgia, Rheumatism, Asthma, Amenorrhea, Sterility, Constipation, Dysmenorrhea, Loss of Voice, Writer's Cramp, Menorrhagia, Deafness, Goitre, Impotency, Self-Consciousness, Bashfulness, Fear to Speak or Sing in Public, and Morbid Fear of Diseases, Incontinence of Urine, Urethral Strictures, Nervous Prostration and Poverty.**

 **Special attention given to distant or absent treatment.**

# Now **CAN** Hypnotize -- If You Use You **CAN** The HYPNOSCOPE --

The Hypnoscope is an electric finger ring; a handsome, gold plated piece of Jewelry, the only thing of the kind manufactured, containing a genuine, active, electro magnet.

PRICE \$1.00.

## -- Directions for Use --

In order to discover the susceptibility of a person to hypnosis through the use of the Hypnoscope, place the ring upon the person's finger, explaining to him beforehand that the ring contains an electro-magnet, which gives to the wearer very distinct sensations. Tell him that when he puts this ring upon his finger, he will feel a tingling, first of all perhaps extending over the whole hand, followed by a numbness at the elbow and a point in the shoulder. Say this to him very positively and slowly, emphasizing every word. The magnetic qualities of the ring are such that he will certainly feel the tingling if there is nothing to distract his earnest attention. If he is very susceptible to suggestion this tingling will be greatly increased.

In order to know what degree of hypnosis you can induce in a person whom you see for the first time, make the above test, and at the end of ten minutes, ask what sensations were experienced. If he has felt the tingling he will pass into a condition of light hypnosis. If he has felt the tingling very strongly, accompanied by the numbness at the elbow and at the point of the shoulder, he can be made to pass into a deep condition of hypnosis and you will be able to induce somnambulism, using only this ring and verbal suggestions to accomplish this end. You will bring this about by saying to him, while the ring is still on his finger, at the end of the ten minutes: "The numbness in your elbow is increasing, and if you continue to wear this ring in another two minutes you will find that the power to move your arm has gone from you." Now at the end of the two minutes, say to him very positively: "You have no force in your arm or hand; you cannot move your hand from the chair," and you will find that he confesses to an inability to move his arm. He may be able with some effort to lift it, but you may be sure by the impression your first suggestion has made upon his mind that he will be susceptible to others, and will pass without difficulty into the state of hypnosis.

To quiet a nervous person it is only necessary to say: "If you put this ring upon your finger your nervousness will subside, and you will become quite calm. The ring is highly magnetized and has a very peculiar effect upon any one who wears it."

Dentists will find this ring of value in quieting physical pain and giving their patients fortitude to undergo painful operations. The ring thus becomes an anaesthetic when accompanied by the appropriate suggestion, and has the effect of thoroughly diverting the patient's attention while the dentist is at work. The Hypnoscope will prove its value to its possessor in a hundred ways, and many interesting experiments showing the power of the imagination over the sensations of the body may be conducted with it.

It is taken for granted in the above directions that you are more or less familiar with the principle and theory of suggestion, and that you will use the proper skill and judgment in arousing the utmost expectant attention in the mind of the patient, and see that he receives no encouragement for levity or the distraction of attention at any time. This being clearly understood the ring will do its work.

## Rheumatism That Painful Pitiless Disease CAN POSITIVELY BE Cured!

**Mr. Richard Johnson tells of the wonderful merits of Drefs' Rheumatic and Gout Pills.**

The old methods of treating Rheumatism and Gout are wrong, entirely wrong. These dread diseases are constitutional ailments, and cannot be cured by oils, liniments, or any other so-called remedy for external use. These may sometimes afford temporary relief, but they cannot cure. There is but one cure, **Drefs' Gout and Rheumatic Pills**, which cure speedily and permanently, because they act on the blood, the liver, the heart and the kidneys—they purify the system and sweep it clean of the conditions which cause rheumatism. They are the discovery of that noted chemist, Chas. B. Drefs, of Buffalo, who positively guarantees that they will cure 995 out of every 1,000 cases.

Mr. Richard Johnson, of the Hotel Ponce de Leon, St. Augustine, Fla., says: "I have been a sufferer from Rheumatism for the past two years, and have tried Doctors and Patent Medicines without being benefited in the least. I was recommended to try your Rheumatism and Gout Pills, and after taking one box I am able to walk without the use of a cane, something I have not done for six months. I think they are the best remedy in the world for Rheumatism. Enclosed find P. O. order for which please send me two (2) boxes of your Pills."

**Drefs' Rheumatic and Gout Pills  
will Cost You Nothing**

If you do not receive benefit from them. Mr. Drefs wants no one's money without he gives something in return, so you run no risk. These pills are sold for 50c. per box—no matter how desperate your case, send for a box to-day—if they do not benefit you, your money will be cheerfully refunded.

# ANTIBRULE

THE VADE MECUM OF MODERN SURGERY

**ANALGESIC**

**ANTISEPTIC**

**KERATOPLASTIC.**

**No Similar Combination Known.** ANTIBRULE hastens granulation with incredible rapidity, and therefore prevents the formation of scar tissue. While scientists recognize that there is no such thing as absolute "union by first intention," ANTIBRULE has come nearer demonstrating its possibility than any agent yet offered to the medical profession.

Brilliant results are not only attained through the use of ANTIBRULE in surgery but also in hopeless cases of Hay Fever, Nasal Catarrh, Chronic and Syphilitic Ulcers, Gonorrhoea, Eczema, Erysipelas, and many other skin affections.

**A Positive Specific** for Leucorrhoea, Eczema of Thighs and Scrotum, Poison Oak Affections, Pustular Cutaneous Diseases, all Inflammations of the Mucous Membranes, whether of traumatic, idiopathic or specific origin, and all conditions requiring absolute asepsis and antiseptics.

The only rational, scientific treatment for BURNS and SCALDS and the only specific for the same.

**Stops Pain Instantly.** Few practitioners now treat Burns with preparations containing animal, vegetable or mineral oils. ANTIBRULE produces immediate analgesia, and nothing else promptly repairs the damaged tissue without scarring.

In Gynecology, injections before and after operations have established the fact that ANTIBRULE is the surgeon's best and most reliable aseptic and antiseptic.

**PROPERTIES:** Analgesic, Antiseptic Astringent, Keratoplastic, Non-Irritating, Aseptic & Atoxic.

# ABLEST CURE OF THE TIMES.

Formula and Instructions How to Make and use it for \$2.00. Money refunded if not Satisfied With Use.

**Vril Cordial** a pleasant, safe, elegant cell irritant that quickly fills the blood with giant cells. A remedy that by its peculiar roughness passing through the alimentary canal, toughens and thickens its lining like rough work as chopping wood toughens the palm of the hand. The cells of this lining membrane are made giant cells by the peculiar friction and this cell vigor extends throughout the body. If the stomach or alimentary canal is weak, cold or flabby, its cells are weak, the vitality is low, the entire system cold, prostrated, a condition present in all low diseases. This peculiar roughness excites, arouses, exhilarates, quickly strengthens, warms up every organ, and mind and body, producing prodigious vital force, strength, working power, physiological action, circulation, nutrition and enormous digestion. In a few hours often removes the black dry coating from the tongue of half unconscious cases and puts them on their feet in a few days. For 12 years I conducted a sanitarium with it, treating thousands with astonishing cures unequalled by science. In a few days it puts great vital force, strength into very low, weak, wasted, given up patients. Invalids usually gain 3 to 5 pounds a week and often get out of bed in 3 to 7 days. It has cured hundreds of bad fast consumptives in 2 to 3 months. Cures many cancers, abscesses, frightful ulcers, with incredible speed. It loosens and cures worst coughs quick while it doubles digestion and strength. Imparts courage, confidence, exhilarates body and mind, gives strong voice, clear skin, working power, prodigious strength to the heart, slows the pulse, cures wonderfully, quick, heart, liver, stomach, nerves and women cases, prostration; gives such vigor to weak female-organs, heart, nerves in feeble women that in a few days severe cases are almost well. Most women and children are made fat, strong and well in 2 to 6 weeks. It works wonders daily, patients delighted. It vastly increases the animal powers, sexual desire and vigor; its use unknown to physicians. Made at home, cost 10 cents a pound. Above sworn to by proprietor,

## STORIES FROM NATURE....

The telling of a true story is not unjust, because it is the truth. If a life history is written with words of truth it cannot offend for it has the strength of truth. This is the strength of such books as "Quo Vadis." It tells of the truth of men and women bowed, humbled in the dust of the times of Roman emperors. If they were not of truth they would offend, for no writer of established fame would dare write of the feast where men and women lay on the same couch in a fierce struggle for the triumph of virtue over passion under the very eyes of Nero. The writers on

# ADVERTISEMENTS.

**FIVE-GRAIN  
TABLETS**

**EXACT SIZE**

**FAC-SIMILE**

"The name itself suggests what Antikamnia is, and what its remedial properties are:—Anti (*Greek-AvTi*). Opposed to, and Kamnia (*Greek-Kaμvς*), Pain—therefore, "ANTIKAMNIA" (Opposed to Pain)—a remedy to relieve pain and suffering.

"In certainty and celerity of action, it has been found superior to any of its predecessors in this field, especially in cases of Acute and Chronic Neuralgia. Neuralgic Toothache, Tic-Douloureux, Myalgia, Migraine, Hemicrania, and all forms of Headache, yield to its influence in a remarkably short time, and in no instance have any evil after-effects developed. The chief claim advanced in favor of Antikamnia over all other products is, that its use is not followed by depression of the heart.

"The dose for adults, which always gives relief in severe headaches, especially those of bookkeepers, actors, lawyers, students, mothers, teachers and nurses, in short all headaches caused by anxiety or mental strain, is two tablets, crushed, followed by a swallow of water or wine. It is the remedy for La Grippe. As a preventive of and cure for nausea while traveling by railroad or steamboat, and for genuine mal de mer or sea sickness, Antikamnia is unsurpassed, and is recommended by the Surgeons of The White Star, Cunard and American Steamship Lines.

"There are very many important uses for Antikamnia, of which physicians as a rule may be uninformed. A five grain Antikamnia Tablet prescribed for patients before starting on an outing, and this includes tourists, picnickers, bicyclers, and in fact, anybody who is out in the sun and air all day, will entirely prevent that demoralizing headache which frequently mars the pleasure of such an occasion. This applies equally to women on shopping tours, and especially to those who invariably come home cross and out of sorts, with a wretched "sight-seer's headache." The nervous headache and irritable condition of the busy business man is prevented by the timely use of a ten grain dose. Every bicycle rider, after a hard run, should take two five grain Antikamnia Tablets on going to bed. In the morning he will awake minus the usual muscular pains, aches and soreness. As a cure and preventive of the pains peculiar to women at time of period, Antikamnia is unequalled and unaccompanied by habit or unpleasant after-effect. If the pain is over the lower border of the liver, or lower part of the stomach, or in short, be it headache, side-ache, backache, or pain of any other description caused by suppressed or irregular menstruation, it will yield to two five grain tablets of Antikamnia. This dose may be repeated in an hour or two, if needed. For very prompt relief, it is advisable to crush the tablets and swallow them with a little wine, diluted whisky or toddy. A dozen tablets kept about the house, will always be found useful in time of pain."

### THE SLAYTON INSULATION CURE FOR

## Rheumatism and Sleeplessness.

Most of the readers of this paper are already well acquainted with our treatment, and its theory, based on the discovery of the great DR. BROWN-SEQUARD, of Paris, that these ailments, as well as Neuralgia, Sciatica Pains in Muscles and Bones, Nervous Weakness and Lost Vitality arise from an excessive flow of electricity from the body to the earth. We do not ask: "Do you believe in our method?" but, "Have you made a free trial of

"Slayton's Electric Switch Glass Casters" and "Slayton's Insulating Spun Glass Insoles."

Their use on the bed during the night, and on the feet during the day, have produced most wonderful cures. The insoles are almost perfect protection against catching cold. These appliances mark a revolution in the treatment of disease, and so confident are we of their merit that we urge all afflicted ones to make a free trial of them. Here is a letter, taken at random from hundreds of similar ones.

ESMOND, ILL., March 15, 1899.  
THE ELECTRIC CASTER CO., Gentlemen:—I had the  
Inflammatory Rheumatism last spring. It left me  
with stiff joints; lame, could not sleep; lay awake,  
horrible weakness. I saw your ad. in the "Ram's  
Horn." I got the casters, put them under the bed.  
went to bed and to sleep. Have not had a pain since;  
as sound as a gold dollar. Very respectfully  
FRED. GOODRICH

### Free Trial

FOR ONE WEEK. We will gladly send any one a full set of the "Slayton Electric Switch Casters" and "Slayton Insulating Insoles" on receipt of 25c. for postage and packing, or separately, 17c. for the Casters and 8c. for the Insoles. Try them for one week according to directions. If they do not help you, return them by mail and no charge will be made. If they do help you (and they almost certainly will), send us \$3.00 for the Casters and \$2.00 for the Insoles. These articles can be used separately with great benefit, but to secure the greatest relief both should be used. Be sure to state whether Casters are to be placed on iron, brass or wooden bedsteads, and the size of shoes insoles are to fit.

## Rheumatism

That Painful  
Pitiless  
Disease

### CAN POSITIVELY BE Cured!

Mr. Richard Johnson tells of the wonderful  
merits of Drefs' Rheumatic and Gout Pills.

The old methods of treating Rheumatism and Gout are wrong, entirely wrong. These dread diseases are constitutional ailments, and cannot be cured by oils, liniments, or any other so called remedy for external use. These may sometimes afford temporary relief, but they cannot cure. There is but one cure, Drefs' Gout and Rheumatic Pills, which cure speedily and permanently, because they act on the blood, the liver, the heart and the kidneys—they purify the system and sweep it clean of the conditions which cause rheumatism. They are the discovery of that noted chemist, Chas. B. Drefs', of Buffalo, who positively guarantees that they will cure 90% out of every 1,000 cases.

Mr. Richard Johnson, of the Hotel Ponce de Leon, St. Augustine, Fla., says: "I have been a sufferer from Rheumatism for the past two years, and have tried Doctors and Patent Medicines without being benefited in the least. I was recommended to try your Rheumatism and Gout Pills, and after taking one box I am able to walk without the use of a cane, something I have not done for six months. I think they are the best remedy in the world for Rheumatism. Enclosed find P. O. order for which please send me two (2) boxes of your Pills."

**Drefs' Rheumatic and Gout Pills  
will Cost You Nothing**

If you do not receive benefit from them. Mr. Drefs wants no one's money without he gives something in return, so you run no risk. These pills are sold for 50c. per box—no matter how desperate your case, send for a box to-day—if they do not benefit you, your money will be cheerfully refunded.

# PRACTICAL HYPNOTISM.

EVERYONE is looking for the best course of instruction extant upon this science. The public demand is for a course of instruction **which does instruct.** We have prepared the best course that has ever been written, and we have seen them all. The matter contained in this course

has not appeared in SUGGESTIVE THERAPEUTICS in the form of articles. The whole course is new, original, and thoroughly up to date. It teaches you **how to hypnotize; how to mesmerize; how to instruct and cure during natural sleep; how to perform stage hypnotism;** it reveals all the old and all the new mysteries. It favors especially the induction of **THE DEEP SLEEP**, and teaches how you may induce it. It gives you instruction in the use of Hypnotism in the treatment of disease. It gives special instruction for the doctor; special instruction for the layman, and special instruction for the dentist in Hypnotism and Suggestive Therapeutics.

It is not in any sense of the word a copy of any other course, or a rehash of old matter. It is unlike any other course, and superior to all. No other Course of Instruction is

necessary, but without this the student is not fully equipped to do his work. It contains no less than 50 Methods of inducing Hypnosis, and devotes a Lesson to the Method of Mesmerism which Dr. Esdaile, the English surgeon, made famous in India.

After mastering this course the student is able to hypnotize either for his own satisfaction in psychic research, or for the correction and cure of bad habits, nervous diseases, and functional disorders.

The Price of the Course in Hypnotism is \$5.00.

I have prepared a course of instruction; teaching how to give **Distant Treatments**, which have given the greatest satisfaction to my students. I mail this course to any address for the sum of \$2.00.

**The price is only \$2.00.**

This puts it within the reach of all to help their friends, their families and themselves to health and strength, besides taking for treatment those numerous patients whom their friends are sure to send them. Many of my students who are proficient in **ABSENT HEALING** have now more work than they have time to attend to.

## Learn This Profession To-day!

It is a good thing to relieve suffering, to bring comfort into afflicted households; to banish the weariness of pain and give back the energy of youth. This course of instruction will show you how you may do this. You will, if you are sick, banish ill health in yourself by bringing health and happiness to others.

Though you may be sick, it will make you well to send health thought to others. It will bring you sweet rest at night, power and energy during the day; it will give you self-reliance in place of dependence upon others; it will give you wholesome memories in place of the cares that are eating your life away. It will restore you, strengthen you, comfort you, and bless you, just as you yourself become by its use a strength, a comfort and a blessing to your patients. I have decided to devote all money received from these courses of instruction to the furtherance of this great work. The price is only \$2.00. Address,

NOTE.—The Psychic Research Company fully endorses this Course as the best thing of its kind which has come to their notice. It is carefully compiled, complete and easy to comprehend.

## PRACTICAL TELEPATHY.

To be a mind reader most men would give a fortune—everyone should give \$2.00. We have reduced our price on the Mind Reading Course to the small sum of \$2.00.

The Course in Mind-Reading is a handsome 35 page book telling you exactly **How to Do It**. Those who have read it are delighted. A new field has opened to them. They are experimenting constantly with genuine Telepathy, delighting and surprising their friends and themselves with their success. Muscle reading, represented by Johnstone, Brown, Bishop and others as mind reading is also fully explained and taught in this wonderful book.

## PERSONAL MAGNETISM

The cultivation in the body and mind of that indefinable, yet distinct characteristic which impresses other people is the cultivation of Personal Magnetism.

Personal Magnetism, or unconscious attractiveness, is natural with some people. It can be easily cultivated in all. There has been a demand for a practical work upon this subject—one shorn of the inevitable haze which attaches to previous alleged attempts to explain this force.

We have filled the want. Our system of Personal Magnetism was written under our specification which insisted upon absolute clearness, accuracy and simplicity.

This course is beautifully printed and bound and sells for only \$2.00.

## Diplomas Free.

To every purchaser of our Course of Instruction in Magnetic Healing and to every purchaser of our Course of Instruction in Hypnotism we send a large diploma with our seal attached. These diplomas are very handsome articles, suitable for framing, and we have prepared them to meet the demands of our students who wish to have something tangible to show that they are competent to practice the work they have taken up.

To secure a diploma it is necessary for each purchaser of a Course of Instruction to send us, after he has fully mastered the contents of his course, a signed statement, attested by two witnesses, to the effect that he has been successful in using Hypnotism or Magnetic Healing according to the instruction given in the Course. We make no charge for these diplomas, and in no case will they be sent until the statement referred to above is received at this office.

The Hypnotism diplomas are separate and distinct from the Magnetic Healing diplomas.

The **Humanitarian** is a monthly magazine devoted to the study of social and scientific questions from all points of view. It is the organ of no sect, clique, or party, but aims at getting the opinions of the best men and women on all subjects which affect the welfare of the race, and welcomes as fellow-workers all those who have the true interests of humanity at heart, without distinction of race or creed.

The **Humanitarian** has won for itself a recognised position as the frank and fearless exponent of old truths and new ideas. The object of the magazine is to freely discuss all matters which concern the spiritual, mental and physical health of humanity.

The **Humanitarian** does not dogmatise. We do not pretend to have final truths, we are seeking final truths. The last word has not been said on any branch of science. We are pilgrims in search of the Holy Grail, and in its quest we invoke the aid of all those who believe that the service of man is the service of God.

# DISTANT HEALING

**A POWER. A CURE.**

**Costs You Nothing if You Are Not Benefited**

## HEALTH-THOUGHT TRANSMISSION

Experiments in absent treatments have been conducted under the auspices of this Company for four months. The result as shown by correspondence is startling, indicating that no less than 90 per cent. of patients treated were either benefited materially or cured. The scientific value of this collection of indisputable facts is great. These facts have changed our views materially on the subject of absent treatment.

## The Plan is This:

Owing to the demand for absent treatments we now have regularly in our employ a healer of unquestioned ability—one who understands most thoroughly both the practical and the theoretical side of the work.

**One Month's Daily Treatment Costs Only \$1.00.**

Out of this must come payment for our healer's time, cost of our advertising space, time of handling correspondence and percentage of refund in cases receiving no benefits. We guarantee to promptly, and without question, refund the fee of \$1.00 upon request of patient. So you see this is not a money-making scheme for us. We don't want to lose money on it, but we make this offer to interest readers of this magazine. Such an offer you will find nowhere else. If you are ill try the Psychic Research Company's healer. You have nothing to lose and everything to gain.

Most gratifying testimonials coming in daily. It is a great and a good work and we believe we have already reduced its mechanism to the simplest, fairest and most economical basis possible.

# The Healer's Patients

Are not asked for "testimonials." That is not a part of the work. The idea is to let the thought force do it all. Still the testimonials come unsolicited. Here are a few out of many:

Crawfordsville, Ind., Feb. 22, 1900.

To the Healer:

\* \* \* Well, you would like to hear about your patient. I feel grateful to you every day of my life, for I am *perfectly well*, and you cured me. \* \* \* If you knew how weak and miserable I was when I began your treatment you could not help feeling surprised at my recovery. Pardon such a long letter. You do not seem like a stranger to me, and so it is easy to write to you. With best wishes, I am,

Yours gratefully,

Mrs. S. M. B—.

Elwood, Ind., March 9, 1900.

The Healer:

You requested a report of progress of my wife's case. She commenced treatment Feb. 21, making two weeks up to Wednesday last. She seems to be doing fine; has had no bilious or sick attacks since; has only had a little twitch or two of rheumatism, and that when doing her week's washing (a thing she has not done for months without help). She says she feels almost as if nothing was the matter with her. \* \* \* The neighbors begin to compliment her on looking so well. \* \* \* Will report further at end of the month.

E. A. McM—.

Roxbury, Mass., Feb. 27, 1900.

To the Healer:

Being aware the time of the month's Absent Treatment is now at an end, would say I have been much pleased with the result and would again extend my thanks for the treatment. *Will not need further treatment.* "May Heaven's highest blessings be yours," is my most sincere wish.

Mrs. A. H. Veazie.

Jersey City, N. J., Feb. 1, 1900.

To the Healer:

Your method of treating my wife is excellent and did her very much good. I must say your treatment is very practical and reasonable and instructive, too, and I hope you will succeed in your noble work. If you should ever want testimony I can heartily give it.

Rev. Johannes Himiger, Pastor 1st G. Ev. Church.

E. Jaffrey, N. H., Feb. 23, 1900.

Dear Healer:

\* \* \* I am feeling very well, indeed, so I think I will not take any more treatments at present. I hope to resume them later. I have received a great benefit from your treatments. My eyes do not trouble me much, and my *dreadful headaches are a thing of the past*. My sleep is sound and restful and I have energy and courage enough to undertake anything. Many thanks for your sympathy and help.

I remain, gratefully,

R. C. B—.

Manchester, N. H., Feb. 22.

Dear Healer:

\* \* \* My husband thinks I seem so much better that I had better take another month's treatment (enclosed money order \$1.00). My husband smokes to excess. Do you think I could cure him of it?

Thanking you for your kindness, I remain,

Sincerely yours,

Mrs. S. J. R—.

## A Healer in Your Own Home.

This cup is a thoroughly scientific discovery, and a careful perusal of the reading matter, which we send on application will, we feel certain, convince you that we are in a position to give you the greatest medical discovery of the age. The results we are obtaining in diseases of all kinds are truly remarkable. Although the discovery is a comparatively recent one, still it is working marvels in all kinds of acute and chronic disorders. All the chronic cases using it at present are improving rapidly and every day brings us reports of cases completely cured. It matters not from what disease you may be suffering, the cup will benefit you, for it directly increases the healing force in your body. If it is possible for you to get well you will get well by using this cup, and it will not interfere with any other treatment, but on the contrary will assist it. There is nothing dangerous about the cup and a child can use it.

## DESCRIPTION OF THE CUP.

Each cup contains sufficient magnetism to lift a weight of 40,000 lbs. a distance of one foot, and its influence can be perceptibly noticed at a distance of over 30 inches. This claim may seem preposterous to the average reader, nevertheless it is a demonstrable fact. This immense force is passed through a tasteless solution of Magnetic Metal Salts which are prepared by a secret process, and every draught of this fluid, when drunk from the cup, conveys magnetic life force directly into the body and circulation. Patients who use these cups *begin to pick up at once in vital force*, every bodily function is soon restored to its normal state and health returns, no matter from what disease the patient suffers.

Every family, every invalid, every physician, every healer, and everyone wishing to retain his health should possess one of these cups.

# The St. Louis School —OF— Suggestive Therapeutics ... AND ... Medical Electricity.

(INCORPORATED.)

**DEGREES CONFERRED and DIPLOMAS AWARDED to GRADUATES.**

This School was established for the purpose of instructing Physicians, Medical Students, Dentists, Trained Nurses and other intelligent people, in the science and art of Suggestive Therapeutics and those who want it are also taught the practical application of Electricity in the treatment of all diseases where it can be used to advantage, including X-ray work. All kinds of batteries on exhibition and their uses explained.

A complete exposition of Psychological Medicine is given, as expounded by Liebeault, Bernheim, Tuke, Moll, Tuckey, Hudson, etc. The psychological treatment of diseases and the production of anesthesia for surgical operations under hypnotic influence, are thoroughly elucidated by didactic lectures and practical demonstrations upon subjects and clinics before our classes. Furthermore, our students are fully instructed in all the modern methods of Hypnotism, and are favored by the privilege of actual personal practice in handling and controlling subjects in our psychological clinics, under our immediate observation and instruction. This enables them to go out and apply this practice at once. Say what we may about what can be learned from books, journal communications and correspondence courses of instruction, there is nothing like **OBJECT LESSONS** to teach Suggestive Therapeutics. We can teach students more in two weeks by *showing* them how it is done, by treating patients in their presence, than they can learn in many months from reading and depending wholly upon their own unaided efforts.

We make a specialty of teaching our students the proper treatment, by suggestion, of all chronic, functional and nervous diseases and habits of every kind, and all stubborn diseases that have resisted ordinary methods of treatment. We teach them the kind of suggestions that each patient requires. All intelligent men and women can learn Suggestive Therapeutics, and they can learn to do effective work with it.

**One full session of two weeks every month in the year.**

**Sessions always open in the evenings of the first Monday of each month.**

We give special attention to the personal treatment of all chronic, functional and nervous diseases, and habits of every kind here in our private office and in our school, such as

**Insomnia, St. Vitus' Dance, Paralysis, Hysteria, Melancholy, Headache, Hallucinations, Monomania, Neuralgia, Rheumatism, Asthma, Amenorrhea, Sterility, Constipation, Dysmenorrhea, Loss of Voice, Writer's Cramp, Menorrhagia, Deafness, Goitre, Impotency, Self-Consciousness, Bashfulness, Fear to Speak or Sing in Public, and Morbid Fear of Diseases, Incontinence of Urine, Urethral Strictures, Nervous Prostration and Poverty.**

 **Special attention given to distant or absent treatment.**

## Morphine Habit Cured in Three Days.

We can absolutely cure all cases of stammering and stuttering, bed-wetting, liquor habit, morphine habit, tobacco habit, kleptomania, morbid fears, etc.

The prices here quoted to readers of Suggestive Therapeutics are only one-half my regular rates.

The chief benefit of a Nativity reading is that it enables one to be prepared for evil periods and to push business when the aspects are good. The planets **indicate** but do not **cause**. Inheritance, heredity and other pre-natal conditions **cause**, and the natural forces cause the birth to be hastened or retarded. I challenge the most learned scholars to a public debate on this proposition.

# STAGE FAVORITES

No. 2.  
NOW READY.

Do you enjoy looking at pretty girls, with dreamy eyes, bewitching smiles and entrancing forms? If so you must see our new book, "Stage Favorites No. 2." This is the book that has created so much talk in all the larger cities of Europe, as they say never before were human beings so vividly reproduced that they actually seem to speak, and one's eyes are almost dazzled by the overwhelming array of splendor. This book is not for sale at book stores for various reasons, but we will send you one securely wrapped and prepaid, on receipt of PRICE, 25 CENTS.

## "THE SCHAEFER SYSTEM"

Is the greatest discovery in the "Art" of healing, and no Doctor nor a Magnetic Healer can do without this system, if he wants to cure himself or his Patients. Thousands of once bedridden, helpless invalids will never forget the name of "Schaefer," and many write: "Why

did you not sooner come to the Front with your great invention? We could have spared many years of suffering," etc.

Every disease is curable, and every man can be his own Physician without drugs and patent nostrums.

Consumption, the white plague of our age, is now at last curable, and I challenge the Medical Profession on this point.

Dr. Hubbard Foster, Arlington, Mass., writes: "I can recommend your system of treatment in all cases, acute and chronic." Dr. E. Gletschmann, 654 N. Hoyne Ave., Chicago, Ill., writes: "I recommend your system to every one."

# YOU CAN BE A HUMAN MAGNET!

Just as the GEORGIA WONDER was.

Lulu Hurst, once known as the Georgia Wonder, startled the world a few years ago by exhibiting a so-called "Magnetic Power." She was only a slight young girl, yet with this strange power she could throw strong, heavy men about the stage like playthings. She could rest her hand on the seat of a chair, and four men could not force the chair to the floor. She could not be pushed off her balance, even when standing on one foot. She defied the laws of gravity, and the more physical opposition she encountered the stronger was the

## "MAGNETIC POWER"

in evidence.

Lulu Hurst and her wonderful power were the talk of the hour, and then she suddenly disappeared from public life.

### *Her Autobiography Explains Everything.*

It is a 267 page book handsomely illustrated. It tells exactly how to do all the feats that she did. The power was not magnetism, but the use of a natural law of physics applied unconsciously enough, by this young southern girl. The book gives a history of her life also, and every page thrills with interest, excitement and humor, besides giving plain explanations of how she did all her feats. Her plan was so simple that anyone can do any of her feats in five minutes after reading the book. Edition almost exhausted. Satisfaction guaranteed or money refunded. Price.....\$1.00

"The name itself suggests what Antikamnia is, and what its remedial properties are:—Anti (*Greek-Anti*). Opposed to, and Kamnia (*Greek-Kaivos*), Pain—therefore, "ANTIKAMNIA" (Opposed to Pain)—a remedy to relieve pain and suffering.

"In certainty and celerity of action, it has been found superior to any of its predecessors in this field, especially in cases of Acute and Chronic Neuralgia. Neuralgic Toothache, Tic-Douloureux, Myalgia, Migraine, Hemispheric, and all forms of Headache, yield to its influence in a remarkably short time, and in no instance have any evil after-effects developed. The chief claim advanced in favor of Antikamnia over all other products is, that its use is not followed by depression of the heart.

"The dose for adults, which always gives relief in severe headaches, especially those of bookkeepers, actors, lawyers, students, mothers, teachers and nurses, in short all headaches caused by anxiety or mental strain, is two tablets, crushed, followed by a swallow of water or wine. It is the remedy for La Grippe. As a preventive of and cure for nausea while traveling by railroad or steamboat, and for genuine *mal de mer* or sea sickness, Antikamnia is unsurpassed, and is recommended by the Surgeons of The White Star, Cunard and American Steamship Lines.

"There are very many important uses for Antikamnia, of which physicians as a rule may be uninformed. A five grain Antikamnia Tablet prescribed for patients before starting on an outing, and this includes tourists, picnickers, bicyclers, and in fact, anybody who is out in the sun and air all day, will entirely prevent that demoralizing headache which frequently mars the pleasure of such an occasion. This applies equally to women on shopping tours, and especially to those who invariably come home cross and out of sorts, with a wretched "sight-seer's headache." The nervous headache and irritable condition of the busy business man is prevented by the timely use of a ten grain dose. Every bicycle rider, after a hard run, should take two five grain Antikamnia Tablets on going to bed. In the morning he will awake minus the usual muscular pains, aches and soreness. As a cure and preventive of the pains peculiar to women at time of period, Antikamnia is unequalled and unaccompanied by habit or unpleasant after-effect. If the pain is over the lower border of the liver, or lower part of the stomach, or in short, be it headache, side-ache, backache, or pain of any other description caused by suppressed or irregular menstruation, it will yield to two five grain tablets of Antikamnia. This dose may be repeated in an hour or two, if needed. For very prompt relief, it is advisable to crush the tablets and swallow them with a little wine, diluted whisky or toddy. A dozen tablets kept about the house, will always be found useful in time of pain."

**Vril Cordial** a pleasant, safe, elegant cell irritant that quickly fills the blood with giant cells. A remedy that by its peculiar roughness passing through the alimentary canal, toughens and thickens its lining like rough work as chopping wood toughens the palm of the hand. The cells of this lining membrane are made giant cells by the peculiar friction and this cell vigor extends throughout the body. If the stomach or alimentary canal is weak, cold or flabby, its cells are weak, the vitality is low, the entire system cold, prostrated, a condition present in all low diseases. This peculiar roughness excites, arouses, exhilarates, quickly strengthens, warms up every organ, and mind and body, producing prodigious vital force, strength, working power, physiological action, circulation, nutrition and enormous digestion. In a few hours often removes the black dry coating from the tongue of half unconscious cases and puts them on their feet in a few days. For 12 years I conducted a sanitarium with it, treating thousands with astonishing cures unequalled by science. In a few days it puts great vital force, strength into very low, weak, wasted, given up patients. Invalids usually gain 3 to 5 pounds a week and often get out of bed in 3 to 7 days. It has cured hundreds of bed fast consumptives in 2 to 3 months. Cures many cancers, abscesses, frightful ulcers, with incredible speed. It loosens and cures worst coughs quick while it doubles digestion and strength. Imparts courage, confidence, exhilarates body and mind, gives strong voice, clear skin, working power, prodigious strength to the heart, slows the pulse, cures wonderfully, quick, heart, liver, stomach, nerves and women cases, prostration; gives such vigor to weak female-organs, heart, nerves in feeble women that in a few days severe cases are almost well. Most women and children are made fat, strong and well in 2 to 6 weeks. It works wonders daily, patients delighted. It vastly increases the animal powers, sexual desire and vigor; its use unknown to physicians. Made at home, cost 10 cents a pound. Above sworn to by proprietor,

# Now **CAN** Hypnotize -- If You Use You **CAN** The HYPNOSCOPE ---

The Hypnoscope is an electric finger ring; a handsome, gold plated piece of Jewelry, the only thing of the kind manufactured, containing a genuine, active, electro magnet.

**PRICE \$1.00.**

## -- Directions for Use --

In order to discover the susceptibility of a person to hypnosis through the use of the Hypnoscope, place the ring upon the person's finger, explaining to him beforehand that the ring contains an electro-magnet, which gives to the wearer very distinct sensations. Tell him that when he puts this ring upon his finger, he will feel a tingling, first of all perhaps extending over the whole hand; followed by a numbness at the elbow and a point in the shoulder. Say this to him very positively and slowly, emphasizing every word. The magnetic qualities of the ring are such that he will certainly feel the tingling if there is nothing to distract his earnest attention. If he is very susceptible to suggestion this tingling will be greatly increased.

In order to know what degree of hypnosis you can induce in a person whom you see for the first time, make the above test, and at the end of ten minutes, ask what sensations were experienced. If he has felt the tingling he will pass into a condition of light hypnosis. If he has felt the tingling very strongly, accompanied by the numbness at the elbow and at the point of the shoulder, he can be made to pass into a deep condition of hypnosis and you will be able to induce somnambulism, using only this ring and verbal suggestions to accomplish this end. You will bring this about by saying to him, while the ring is still on his finger, at the end of the ten minutes: "The numbness in your elbow is increasing, and if you continue to wear this ring in another two minutes you will find that the power to move your arm has gone from you." Now at the end of the two minutes, say to him very positively: "You have no force in your arm or hand; you cannot move your hand from the chair," and you will find that he confesses to an inability to move his arm. He may be able with some effort to lift it, but you may be sure by the impression your first suggestion has made upon his mind that he will be susceptible to others, and will pass without difficulty into the state of hypnosis.

To quiet a nervous person it is only necessary to say: "If you put this ring upon your finger your nervousness will subside, and you will become quite calm. The ring is highly magnetized and has a very peculiar effect upon any one who wears it."

Dentists will find this ring of value in quieting physical pain and giving their patients fortitude to undergo painful operations. The ring thus becomes an anaesthetic when accompanied by the appropriate suggestion, and has the effect of thoroughly diverting the patient's attention while the dentist is at work. The Hypnoscope will prove its value to its possessor in a hundred ways, and many interesting experiments showing the power of the imagination over the sensations of the body may be conducted with it.

It is taken for granted in the above directions that you are more or less familiar with the principle and theory of suggestion, and that you will use the proper skill and judgment in arousing the utmost expectant attention in the mind of the patient, and see that he receives no encouragement for levity or the distraction of attention at any time. This being clearly understood the ring will do its work.

The Hypnoscope is for sale only by

## STORIES FROM NATURE....

The telling of a true story is not unjust, because it is the truth. If a life history is written with words of truth it cannot offend for it has the strength of truth. This is the strength of such books as "Quo Vadis." It tells of the truth of men and women bowed, humbled in the dust of the times of Roman emperors. If they were not of truth they would offend, for no writer of established fame would dare write of the feast where men and women lay on the same couch in a fierce struggle for the triumph of virtue over passion under the very eyes of Nero. The writers on

## THE SLAYTON INSULATION CURE FOR

# Rheumatism and Sleeplessness.

Most of the readers of this paper are already well acquainted with our treatment, and its theory, based on the discovery of the great DR. BROWN-SEQUARD, of Paris, that these ailments, as well as Neuralgia, Sciatica Pains in Muscles and Bones, Nervous Weakness and Lost Vitality arise from an excessive flow of electricity from the body to the earth. We do not ask; "Do you believe in our method?" but, "Have you made a free trial of

"Slayton's Electric Switch Glass Casters" and "Slayton's Insulating Spun Glass Insoles."

Their use on the bed during the night, and on the feet during the day, have produced most wonderful cures. The insoles are almost perfect protection against catching cold. These appliances mark a revolution in the treatment of disease, and so confident are we of their merit that we urge all afflicted ones to make a free trial of them. Here is a letter, taken at random from hundreds of similar ones.

ESMOND, ILL., March 15, 1899.

THE ELECTRIC CASTER CO., Gentlemen—I had the Inflammatory Rheumatism last spring. It left me with stiff joints; lame, could not sleep; lay awake, nervous weakness. I saw your ad. in the "Ram's Horn." I got the casters, put them under the bed, went to bed and to sleep. Have not had a pain since; as sound as a gold dollar.

Very respectfully  
FRED. GOODRICH

## Free Trial

FOR ONE WEEK. We will gladly send any one a full set of the "Slayton Electric Switch Casters" and "Slayton Insulating Insoles" on receipt of 50c. for postage and packing, or separately, 17c. for the Casters and 8c. for the Insoles. Try them for one week according to directions. If they do not help you, return them by mail and no charge will be made. If they do help you (and they almost certainly will), send us \$3.00 for the Casters and \$2.00 for the Insoles. These articles can be used separately with great benefit, but to secure the greatest relief both should be used. Be sure to state whether Casters are to be placed on iron, brass or wooden bedsteads, and the size of shoes Insoles are to fit.

# ANTIBRULE

THE VADE MECUM OF MODERN SURGERY

**ANALGESIC**

**ANTISEPTIC**

**KERATOPLASTIC.**

**No Similar Combination Known.** ANTIBRULE hastens granulation with incredible rapidity, and therefore prevents the formation of scar tissue. While scientists recognize that there is no such thing as absolute "union by first intention," ANTIBRULE has come nearer demonstrating its possibility than any agent yet offered to the medical profession.

Brilliant results are not only attained through the use of ANTIBRULE in surgery but also in hopeless cases of Hay Fever, Nasal Catarrh, Chronic and Syphilitic Ulcers, Gonorrhoea, Eczema, Erysipelas, and many other skin affections.

**A Positive Specific** for Leucorrhoea, Eczema of Thighs and Scrotum, Poison Oak Affections, Pustular Cutaneous Diseases, all Inflammations of the Mucous Membranes, whether of traumatic, idiopathic or specific origin, and all conditions requiring absolute asepsis and antiseptics.

The only rational, scientific treatment for BURNS and SCALDS and the only specific for the same.

**Stops Pain Instantly.** Few practitioners now treat Burns with preparations containing animal, vegetable or mineral oils. ANTIBRULE produces immediate analgesia, and nothing else promptly repairs the damaged tissue without scarring. In Gynecology, injections before and after operations have established the fact that ANTIBRULE is the surgeon's best and most reliable aseptic and antiseptic.

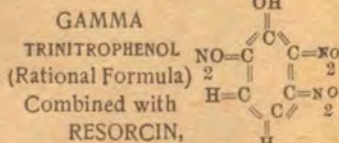

**PROPERTIES:** Analgesic, Antiseptic Astringent, Keratoplastic, Non-Irritating, Aseptic & Atoxic. **INDICATIONS:** Croup, Sore Throat, Ulcers, Wounds, Leucorrhoea, Eczema, Psoriasis, Erysipelas, Ophthalmia, Otitis, Balanitis, Uterine, Vaginal and Rectal Ulcerations and Injuries, Gonorrhoea and all conditions where there is ulceration and difficulty in healing.

## "THE SCHAEFER SYSTEM"

Is the greatest discovery in the "Art" of healing, and no Doctor nor a Magnetic Healer can do without this system, if he wants to cure himself or his Patients. Thousands of once bedridden, helpless invalids will never forget the name of "Schaefer," and many write: "Why

did you not sooner come to the Front with your great invention? We could have spared many years of suffering," etc.

Every disease is curable, and every man can be his own Physician without drugs and patent nostrums.

Consumption, the white plague of our age, is now at last curable, and I challenge the Medical Profession on this point.

Dr. Hubbard Foster, Arlington, Mass., writes: "I can recommend your system of treatment in all cases, acute and chronic." Dr. E. Gletschmann, 634 N. Hoyne Ave., Chicago, Ill., writes: "I recommend your system to every one."

# DISTANT HEALING

A POWER. A CURE.

Costs You Nothing if You Are Not Benefited

## HEALTH-THOUGHT TRANSMISSION

Experiments in absent treatments have been conducted under the auspices of this Company for four months. The result as shown by correspondence is startling, indicating that no less than 90 per cent. of patients treated were either benefited materially or cured. The scientific value of this collection of indisputable facts is great. These facts have changed our views materially on the subject of absent treatment.

## The Plan is This:

Owing to the demand for absent treatments we now have regularly in our employ a healer of unquestioned ability—one who understands most thoroughly both the practical and the theoretical side of the work.

**One Month's Daily Treatment Costs Only \$1.00.**

Out of this must come payment for our healer's time, cost of our advertising space, time of handling correspondence and percentage of refund in cases receiving no benefits. We guarantee to promptly, and without question, refund the fee of \$1.00 upon request of patient. So you see this is not a money-making scheme for us. We don't want to lose money on it, but we make this offer to interest readers of this magazine. Such an offer you will find nowhere else. If you are ill try the Psychic Research Company's healer. You have nothing to lose and everything to gain.

Most gratifying testimonials coming in daily. It is a great and a good work and we believe we have already reduced its mechanism to the simplest, fairest and most economical basis possible.

## A Healer in Your Own Home.

This cup is a thoroughly scientific discovery, and a careful perusal of the reading matter, which we send on application will, we feel certain, convince you that we are in a position to give you the greatest medical discovery of the age. The results we are obtaining in diseases of all kinds are truly remarkable. Although the discovery is a comparatively recent one, still it is working marvels in all kinds of acute and chronic disorders. All the chronic cases using it at present are improving rapidly and every day brings us reports of cases completely cured. It matters not from what disease you may be suffering, the cup will benefit you, for it directly increases the healing force in your body. If it is possible for you to get well you will get well by using this cup, and it will not interfere with any other treatment, but on the contrary will assist it. There is nothing dangerous about the cup and a child can use it.

## DESCRIPTION OF THE CUP.

Each cup contains sufficient magnetism to lift a weight of 40,000 lbs. a distance of one foot, and its influence can be perceptibly noticed at a distance of over 30 inches. This claim may seem preposterous to the average reader, nevertheless it is a demonstrable fact. This immense force is passed through a tasteless solution of Magnetic Metal Salts which are prepared by a secret process, and every draught of this fluid, when drunk from the cup, conveys magnetic life force directly into the body and circulation. Patients who use these cups *begin to pick up at once in vital force*, every bodily function is soon restored to its normal state and health returns, no matter from what disease the patient suffers.

Every family, every invalid, every physician, every healer, and everyone wishing to retain his health should possess one of these cups.

# To the Readers of this Journal.

**T**HE last words of our respected Editor previous to his departure for Omaha and points West on his lecture tour, were: "Put Haggard in my place, and let him get out the May number. Give him a free hand and see what he does. I think his ideas are all right. Let him run the paper for a month anyhow, and don't interfere with him." This is therefore a Haggard number. The first thing Mr. Haggard did was to cut down the number of pages from 96 to 48. He said his own articles were lost among so many. He then insisted upon "running" several of his own articles in consecutive order, saying that after they (meaning the readers of this Journal) had had one, they'd want another. We trust the readers of this Journal will express such an opinion upon this experiment, that Mr. Haggard will not be called upon further to fill a position requiring tact, skill, and complete self-effacement.

"The name itself suggests what Antikamnia is, and what its remedial properties are:—Anti (*Greek-Avri*), Opposed to, and Kamnia (*Greek-Kaivos*), Pain—therefore, "ANTIKAMNIA" (Opposed to Pain)—a remedy to relieve pain and suffering.

"In certainty and celerity of action, it has been found superior to any of its predecessors in this field, especially in cases of Acute and Chronic Neuralgia. Neuralgic Toothache, Tic-Douloureux, Myalgia, Migraine, Hemicrania, and all forms of Headache, yield to its influence in a remarkably short time, and in no instance have any evil after-effects developed. The chief claim advanced in favor of Antikamnia over all other products is, that its use is not followed by depression of the heart.

"The dose for adults, which always gives relief in severe headaches, especially those of bookkeepers, actors, lawyers, students, mothers, teachers and nurses, in short all headaches caused by anxiety or mental strain, is two tablets, crushed, followed by a swallow of water or wine. It is the remedy for La Grippe. As a preventive of and cure for nausea while traveling by railroad or steamboat, and for genuine *mal de mer* or sea sickness, Antikamnia is unsurpassed, and is recommended by the Surgeons of The White Star, Cunard and American Steamship Lines.

"There are very many important uses for Antikamnia, of which physicians as a rule may be uninformed. A five grain Antikamnia Tablet prescribed for patients before starting on an outing, and this includes tourists, picnickers, bicyclers, and in fact, anybody who is out in the sun and air all day, will entirely prevent that demoralizing headache which frequently mars the pleasure of such an occasion. This applies equally to women on shopping tours, and especially to those who invariably come home cross and out of sorts, with a wretched "sight-seer's headache." The nervous headache and irritable condition of the busy business man is prevented by the timely use of a ten grain dose. Every bicycle rider, after a hard run, should take two five grain Antikamnia Tablets on going to bed. In the morning he will awake minus the usual muscular pains, aches and soreness. As a cure and preventive of the pains peculiar to women at time of period, Antikamnia is unequalled and unaccompanied by habit or unpleasant after-effect. If the pain is over the lower border of the liver, or lower part of the stomach, or in short, be it headache, side-ache, backache, or pain of any other description caused by suppressed or irregular menstruation, it will yield to two five grain tablets of Antikamnia. This dose may be repeated in an hour or two, if needed. For very prompt relief, it is advisable to crush the tablets and swallow them with a little wine, diluted whisky or toddy. A dozen tablets kept about the house, will always be found useful in time of pain."

# YOU CAN BE A HUMAN MAGNET!

Just as the GEORGIA WONDER was.

Lulu Hurst, once known as the Georgia Wonder, startled the world a few years ago by exhibiting a so-called "Magnetic Power." She was only a slight young girl, yet with this strange power she could throw strong, heavy men about the stage like playthings. She could rest her hand on the seat of a chair, and four men could not force the chair to the floor. She could not be pushed off her balance, even when standing on one foot. She defied the laws of gravity, and the more physical opposition she encountered the stronger was the

## "MAGNETIC POWER"

in evidence.

Lulu Hurst and her wonderful power were the talk of the hour, and then she suddenly disappeared from public life.

### Her Autobiography Explains Everything.

It is a 267 page book handsomely illustrated. It tells exactly how to do all the feats that she did. The power was not magnetism, but the use of a natural law of physics applied unconsciously enough, by this young southern girl. The book gives a history of her life also, and every page thrills with interest, excitement and humor, besides giving plain explanations of how she did all her feats. Her plan was so simple that anyone can do any of her feats in five minutes after reading the book. Edition almost exhausted. Satisfaction guaranteed or money refunded. Price.....\$1.00

## ABLEST CURE OF THE TIMES.

Formula and Instructions How to Make and use it for \$2.00. Money refunded if not Satisfied With Use.

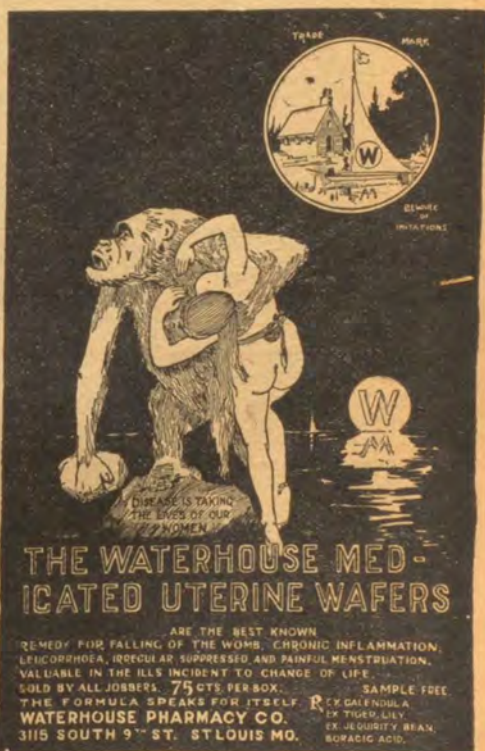

**Vril Cordial** a pleasant, safe, elegant cell irritant that quickly fills the blood with giant cells. A remedy that by its peculiar roughness passing through the alimentary canal, toughens and thickens its lining like rough work as chopping wood toughens the palm of the hand. The cells of this lining membrane are made giant cells by the peculiar friction and this cell vigor extends throughout the body. If the stomach or alimentary canal is weak, cold or flabby, its cells are weak, the vitality is low, the entire system cold, prostrated, a condition present in all low diseases. This peculiar roughness excites, arouses, exhilarates, quickly strengthens, warms up every organ, and mind and body, producing prodigious vital force, strength, working power, physiological action, circulation, nutrition and enormous digestion. In a few hours often removes the black dry coating from the tongue of half unconscious cases and puts them on their feet in a few days. For 12 years I conducted a sanitarium with it, treating thousands with astonishing cures unequalled by science. In a few days it puts great vital force, strength into very low, weak, wasted, given up patients. Invalids usually gain 3 to 5 pounds a week and often get out of bed in 3 to 7 days. It has cured hundreds of bad fast-consumptives in 2 to 3 months. Cures many cancers, abscesses, frightful ulcers, with incredible speed. It loosens and cures worst coughs quick while it doubles digestion and strength. Imparts courage, confidence, exhilarates body and mind, gives strong voice, clear skin, working power, prodigious strength to the heart, slows the pulse, cures wonderfully, quick, heart, liver, stomach, nerves and women cases, prostration; gives such vigor to weak female-organs, heart, nerves in feeble women that in a few days severe cases are almost well. Most women and children are made fat, strong and well in 2 to 6 weeks. It works wonders daily, patients delighted. It vastly increases the animal powers, sexual desire and vigor; its use unknown to physicians. Made at home, cost 10 cents a pound. Above sworn to by proprietor,

# STARTLING DISCLOSURES

## Personal Magnetism

**Hypnotism, Will Power, Nerve Force--Call it What You Will**

is the intangible power that controls human destiny. It is the key to all business and social success. All truly great men and women are magnetic. They know how to win and hold people. This power does not come by chance, but it is an art, a science, depending upon certain fixed laws which only achieve success yourself, but you can influence the minds, health and actions of others. **We guarantee it.** Our profusely illustrated treatise tells exactly how to acquire these marvelous powers. It is the most expensive and most comprehensive work of the kind ever published. It is from the pens of the world's most famous scientists. This wonderful book has been the means of bringing success, happiness and health to thousands of persons. A postal card will bring it. **It's Free. Read the following convincing testimony, and write to-day.**

**Rev. Paul Welles,** Box 200, Gornum, N. Y., says: "Your instructions have given me a power and a force of character I did not dream it was possible for me to acquire."

**G. S. Lincoln, M. D.,** 101 Crutchfield Street, Dallas, Tex., writes: "The book was a revelation to me. Your methods are far in advance of any I have ever seen."

**Miss Katherine Messinger,** of Corry, Pa., says: "Your instruction has made a new woman of me. Possibilities have been opened up that I never dreamed had existed before. Everyone should understand your grand science, and there would be less misery, poor health, and unhappiness in the world."

### THE SLAYTON INSULATION CURE FOR

## Rheumatism and Sleeplessness.

Most of the readers of this paper are already well acquainted with our treatment, and its theory, based on the discovery of the great **DR. BROWN-SEQUARD**, of Paris, that these ailments, as well as Neuralgia, Sciatica Pains in Muscles and Bones, Nervous Weakness and Lost Vitality arise from an excessive flow of electricity from the body to the earth. We do not ask: "Do you believe in our method?" but, "Have you made a free trial of

"Slayton's Electric Switch Glass Casters" and "Slayton's Insulating Spun Glass Insoles."

Their use on the bed during the night, and on the feet during the day, have produced most wonderful cures. The insoles are almost perfect protection against catching cold. These appliances mark a revolution in the treatment of disease, and so confident are we of their merit that we urge all afflicted ones to make a free trial of them. Here is a letter, taken at random from hundreds of similar ones.

ESMOND, ILL., March 15, 1899.

THE ELECTRIC CASTER CO., Gentlemen--I had the Inflammatory Rheumatism last spring. It left me with stiff joints; lame, could not sleep; lay awake, nervous weakness. I saw your ad. in the "Ram's Horn." I got the casters, put them under the bed, went to bed and to sleep. Have not had a pain since; as sound as a gold dollar. Very respectfully

FRED. GOODRICH

**Free Trial FOR ONE WEEK.** We will gladly send any one a full set of the "Slayton Electric Switch Casters" and "Slayton Insulating Insoles" on receipt of 25c. for postage and packing, or separately, 15c. for the Casters and 8c. for the Insoles. Try them for one week according to directions. If they do not help you, return them by mail and no charge will be made. If they do help you (and they almost certainly will), send us \$3.00 for the Casters and \$2.00 for the Insoles. These articles can be used separately with great benefit, but to secure the greatest relief both should be used. Be sure to state whether Casters are to be placed on iron, brass or wooden bedsteads, and the size of shoes Insoles are to fit.

# Medical Electricity.

(INCORPORATED.)

**DEGREES CONFERRED and DIPLOMAS AWARDED to GRADUATES.**

This School was established for the purpose of instructing Physicians, Medical Students, Dentists, Trained Nurses and other intelligent people, in the science and art of Suggestive Therapeutics and those who want it are also taught the practical application of Electricity in the treatment of all diseases where it can be used to advantage, including X-ray work. All kinds of batteries on exhibition and their uses explained.

A complete exposition of Psychological Medicine is given, as expounded by Liebeault, Bernheim, Tuke, Moll, Tuckey, Hudson, etc. The psychological treatment of diseases and the production of anesthesia for surgical operations under hypnotic influence, are thoroughly elucidated by didactic lectures and practical demonstrations upon subjects and clinics before our classes. Furthermore, our students are fully instructed in all the modern methods of Hypnotism, and are favored by the privilege of actual personal practice in handling and controlling subjects in our psychological clinics, under our immediate observation and instruction. This enables them to go out and apply this practice at once. Say what we may about what can be learned from books, journal communications and correspondence courses of instruction, there is nothing like OBJECT LESSONS to teach Suggestive Therapeutics. We can teach students more in two weeks by *showing* them how it is done, by treating patients in their presence, than they can learn in many months from reading and depending wholly upon their own unaided efforts.

We make a specialty of teaching our students the proper treatment, by suggestion, of all chronic, functional and nervous diseases and habits of every kind, and all stubborn diseases that have resisted ordinary methods of treatment. We teach them the kind of suggestions that each patient requires. All intelligent men and women can learn Suggestive Therapeutics, and they can learn to do effective work with it.

**One full session of two weeks every month in the year.**

**Sessions always open in the evenings of the first Monday of each month.**

We give special attention to the personal treatment of all chronic, functional and nervous diseases, and habits of every kind here in our private office and in our school, such as

**Special attention given to distant or absent treatment.**

## INTERESTING QUESTIONS.

What is the history of land tenures from the earliest times to the present, and what kind of land tenures have there been in the past and what kinds are now in existence in this and other countries?

How large is the largest landed estate in this country? Where is it? Who owns it?

What is the extent of alien ownership of land in this country?

Is the tendency in this country to larger holdings of land in few hands? Or small holdings in many hands?

With what rapidity is our land accumulating into the hands of the few as shown by our last three census reports?

What are some of the frauds in our system of distributing the public lands?

What is the attitude of the different state constitutions toward the single tax and other land reform movements?

What are the arguments both for and against the single tax? What other land reforms are being advocated?

What is the necessity of forestry laws in this country, and what forestry laws have already been enacted by our state and national governments?

What was John Stuart Mills' plan of land reform, and how can it be applied and adopted in this country?

What are the best means of preventing the accumulation of land in the hands of the few, and of multiplying homesteads and small holdings?

Would it surprise you to know that the amount of land that has been given to railroads in this country would equal the area of almost eight states the size of Ohio?

Do you wish to have ready at hand figures and historical data by which you can show the facts and evils of land monopoly? Do you wish material from which you can get up a speech, either for or against the single tax? Or present the claims of other systems of land reform?

All these questions are answered and information is given on every phase of the land question in the book called "The Land Question from Various Points of View," prepared by thoroughly competent writers, several of whom are well known authorities upon the subjects dealt with; 246 pages, only 25c. While scientists recognize that there is no such thing as absolute "union by first intention," ANTIBRULE has come nearer demonstrating its possibility than any agent yet offered to the medical profession.

Brilliant results are not only attained through the use of ANTIBRULE in surgery but also in hopeless cases of Hay Fever, Nasal Catarrh, Chronic and Syphilitic Ulcers, Gonorrhoea, Eczema, Erysipelas, and many other skin affections.

# YOU CAN BE A HUMAN MAGNET!

Just as the GEORGIA WONDER was.

Lulu Hurst, once known as the Georgia Wonder, startled the world a few years ago by exhibiting a so-called "Magnetic Power." She was only a slight young girl, yet with this strange power she could throw strong, heavy men about the stage like playthings. She could rest her hand on the seat of a chair, and four men could not force the chair to the floor. She could not be pushed off her balance, even when standing on one foot. She defied the laws of gravity, and the more physical opposition she encountered the stronger was the

in evidence.

Lulu Hurst and her wonderful power were the talk of the hour, and then she suddenly disappeared from public life.

### *Her Autobiography Explains Everything.*

It is a 267 page book handsomely illustrated. It tells exactly how to do all the feats that she did. The power was not magnetism, but the use of a natural law of physics applied unconsciously enough, by this young southern girl. Her plan was so simple that anyone can do any of her feats in five minutes after reading the book. Edition almost exhausted. Satisfaction guaranteed or money refunded. Price.....\$1.00

**FIVE-GRAIN  
TABLETS**

NO DRUG HABIT INDUCED - NO TOXIC EFFECT.  
**Antikamnia**  
OPPOSED TO PAIN.

REGISTERED, SEPT. 3rd, 1890.

**EXACT SIZE**

**FAC-SIMILE**

"The name itself suggests what Antikamnia is, and what its remedial properties are:—Anti (*Greek-Aντι*), Opposed to, and Kamnia (*Greek-Kαμνός*), Pain—therefore, "ANTIKAMNIA" (Opposed to Pain)—a remedy to relieve pain and suffering.

"In certainty and celerity of action, it has been found superior to any of its predecessors in this field, especially in cases of Acute and Chronic Neuralgia. Neuralgic Toothache, Tic-Douloureux, Myalgia, Migraine, Hemicrania, and all forms of Headache, yield to its influence in a remarkably short time, and in no instance have any evil after-effects developed. The chief claim advanced in favor of Antikamnia over all other products is, that its use is not followed by depression of the heart.

"The dose for adults, which always gives relief in severe headaches, especially those of bookkeepers, actors, lawyers, students, mothers, teachers and nurses, in short all headaches caused by anxiety or mental strain, is two tablets, crushed, followed by a swallow of water or wine. It is the remedy for La Grippe. As a preventive of and cure for nausea while travelling by railroad or steamboat, and for genuine mal de mer or sea sickness, Antikamnia is unsurpassed, and is recommended by the Surgeons of The White Star, Cunard and American Steamship Lines.

"There are very many important uses for Antikamnia, of which physicians as a rule may be uninformed. A five grain Antikamnia Tablet prescribed for patients before starting on an outing, and this includes tourists, picnickers, bicyclers, and in fact, anybody who is out in the sun and air all day, will entirely prevent that demoralizing headache which frequently mars the pleasure of such an occasion. This applies equally to women on shopping tours, and especially to those who invariably come home cross and out of sorts, with a wretched "sight-seer's headache." The nervous headache and irritable condition of the busy business man is prevented by the timely use of a ten grain dose. Every bicycle rider, after a hard run, should take two five grain Antikamnia Tablets on going to bed. In the morning he will awake minus the usual muscular pains, aches and soreness. As a cure and preventive of the pains peculiar to women at time of period, Antikamnia is unequalled and unaccompanied by habit or unpleasant after-effect. If the pain is over the lower border of the liver, or lower part of the stomach, or in short, be it headache, side-ache, backache, or pain of any other description caused by suppressed or irregular menstruation, it will yield to two five grain tablets of Antikamnia. This dose may be repeated in an hour or two, if needed. For very prompt relief, it is advisable to crush the tablets and swallow them with a little wine, diluted whisky or toddy. A dozen tablets kept about the house, will always be found useful in time of pain."

### THE SLAYTON INSULATION CURE FOR

## Rheumatism and Sleeplessness.

Most of the readers of this paper are already well acquainted with our treatment, and its theory, based on the discovery of the great DR. BROWN SEGRAUD, of Paris, that these ailments, as well as Neuralgia, Sciatica Pains in Muscles and Bones, Nervous Weakness and Lost Vitality arise from an excessive flow of electricity from the body to the earth. We do not ask, "Do you believe in our method?" but, "Have you made a *free* trial of

"Slayton's Electric Switch Glass Casters" and "Slayton's Insulating Spun Glass Insoles."

Their use on the bed during the night, and on the feet during the day, have produced most wonderful cures. The insoles are almost perfect protection against catching cold. These appliances mark a revolution in the treatment of disease, and so confident are we of their merit that we urge all afflicted ones to make a *free* trial of them. Here is a letter, taken at random from hundreds of similar ones.

ESKOSH, Ill., March 13, 1909.  
THE ELECTRIC CASTER CO., Gentlemen:—I had the  
Inflammatory Rheumatism last spring. It left me  
with stiff joints, lame, could not sleep, lay awake,  
nervous weakness. I saw your ad. in the "Kain's  
Horn." I got the casters, put them under the bed,  
went to bed and to sleep. Have not had a pain since,  
as sound as a gold dollar. Very respectfully,  
Frank Goodrich.

### Free Trial

FOR ONE WEEK. We  
will gladly send any one  
a trial set of the "Slayton  
Electric Switch Casters"

the Casters and 50c. for the Insoles. Try them for one

you, return them by mail and no charge will be made.  
If they do help you and they almost certainly will,

These articles can be used separately with great  
benefit, but to secure the greatest relief both should  
be used. Be sure to state whether Casters are to be
